SUBJECT: Senate Bill 1022 (Adult Local Criminal Justice Facilities Construction Program): San Mateo County Relinquishment/Sacramento County Award: **Requesting Approval.**

Summary

San Mateo County has formally relinquished its Senate Bill (SB) 1022 Adult Local Criminal Justice Facilities Construction Financing Program funding award of \$24,374,000. This agenda item requests that the Board of State and Community Corrections (BSCC) acknowledge and accept this relinquishment and approve formal notification to Sacramento County to augment to a full award of \$80,000,000 the partial award of \$56,432,000 the County received on January 16, 2014 (Attachment K-1). Background

Background

The currently authorized SB 1022 lease revenue bond funding authority is \$500,000,000. This amount has been fully allocated with conditional awards to 15 counties.

At the January 16, 2014 BSCC Board meeting San Mateo County was granted a conditional award of \$24,374,000, and Sacramento was awarded a conditional partial award of \$56,432,000 of its proposed application of \$80,000,000 (Attachment K-1).

On May 6, 2015 the County of San Mateo provided formal notice declining the conditional award (Attachment K-2).

Upon San Mateo's decline of its award, Sacramento is the next in rank order in the Large County Set-aside category of counties. It has been past practice of this Board since the AB 900 programs to allow reverted funds by a county to be awarded to the next county in ranked order within the same category.

Recommendation/Action Needed

1. Staff recommends the Board acknowledge that San Mateo County has declined its SB 1022 Adult Local Criminal Justice Facilities Construction Financing Program funding award.
2. Staff recommends making Sacramento County's partial award a full award (\$56,432,000 to \$80,000,000) and requests Board approval to formally present this full award proposal to the county for its approval.
