

Cities with Populations of 40,000 or Less Eligible to Apply for CalVIP Funding

The FY 2019-20 State Budget Act set aside \$3 million for competitive grants to cities with populations of 40,000 or less. The CalVIP ESC defined “unique and compelling need” for cities with populations of 40,000 or less as cities that appear in the top five percent for one or more of three crimes designated as violent by the FBI’s Uniform Crime Reporting Index: Homicide, Aggravated Assault and Robbery, averaged over the preceding three years. There are 66 cities that meet these eligibility requirements, listed in the table below.
