PART I: GRANT INFORMATION

Grant Program Background

The Juvenile Justice and Delinquency Prevention Act¹ (JJDPA) is the federal statute that establishes the Title II Grant Program. The U.S. Office of Juvenile Justice and Delinquency Prevention (OJJDP) administers the grant, in part, by awarding grants to states to support delinquency prevention and juvenile justice system improvement. The Board of State and Community Correction (BSCC) is the state agency that receives and administers California's Title II award. The BSCC must competitively award funds to units of local government, nonprofit, nongovernmental organizations (NGOs) (referred to as local private agencies in the JJDPA), or Indian tribes consistent with the purpose and intent of the JJDPA and California's Title II State Plan.

OJJDP requires states that receive Title II awards to establish a State Advisory Group to advise on Title II activities. In California, this State Advisory Group is the State Advisory Committee on Juvenile Justice and Delinquency Prevention (SACJJDP). The SACJJDP is a governor-appointed committee serving as a standing BSCC Executive Steering Committee (ESC) that works on behalf of the Governor to support policy and programs that improve outcomes for young people in the justice system. The SACJJDP developed California's 2021-2023 State Plan, which was then approved by the Board and accepted by OJJDP. This grant program will fulfill the goals and objectives of this State Plan and JJDPA requirements.

For more information about SACJJDP and the Title II State Plan click here: https://www.bscc.ca.gov/s_titleiigrant/

This Title II grant will fund:

1. Aftercare/Reentry
2. Alternatives to Detention
3. Community-Based Programs & Services
4. Diversion
5. Mentoring, Counseling & Training Programs
6. Job Training

This grant will also target the reduction of the overrepresentation of youth of color in contact with the juvenile justice system.

Funds from the Title II Grant program have been set aside for federally recognized tribal governments that serve tribal youth, which will be awarded through this Request for Proposal (RFP) process.

This Title II Grant cycle will be funded from Federal Fiscal Year (FFY) 2021, 2022, and 2023 awards contingent upon OJJDP funding OJJDP has not disclosed the amount of

funding California will receive as of May 2022. BSCC awards to grantees are contingent upon federal appropriations in FFY 2021, 2022, and 2023.

Title II 2021-2023 State Plan

This Title II Grant Program provides alternatives to detention, promotes youth safety and well-being while in custody, and identifies and supports successful and emerging reentry models. It intends that in-custody programs focus on rehabilitation and building individual strengths instead of punishment for past mistakes and deficits. It intends that California’s disproportionate representation of youth of color in the juvenile justice system be addressed. In support of these efforts, funded programs should:

- Align with the recommendations, as applicable, identified in the Title II 2021-2023 State Plan;
- Use promising, data-driven, and innovative practices;
- As applicable, use individualized case plans;
- Be culturally responsive;
- Be locally relevant; and
- Offer measurable outcomes.

Target Population

Services and programs proposed in response to this RFP must be designed to serve people who are at-risk and/or have been under the jurisdiction of the juvenile justice system and are under the age of 26.

Grant Program Description

Eligibility to Apply ²

Applicants for Title II Grant Program must be a:

1. Unit of local government (including individual agencies or departments within a City and County or a School District) that partner with private nonprofit agencies, organizations, and institutions.
2. Private nonprofit agency, organization, or institution; **Or**
3. A federally recognized Indian tribe (at least one eligible program will be funded).

Applicants that do not meet the above criteria will not be considered for funding.

Definition of Lead Agency

Two or more applicants may partner to submit a joint proposal, but one must be designated as Lead Agency for contracting purposes. An applicant may not apply as Lead Agency for more than one proposal.

Non-lead agencies (including NGOs) may serve as a partner on more than one proposal. All NGOs must meet the eligibility criteria in Appendix C, “Criteria for Non-governmental Organizations Receiving Title II Grant Program Funds”.

² See Appendix A.

Eligible Activities – Program Purpose Areas

To support targeted delinquency prevention and intervention efforts, OJJDP developed a comprehensive list of Program Purpose Areas (PPAs) that are permissible uses of Title II funds. The SACJJDP further refined the PPAs that California would fund in the 2021-2023 Title II State Plan.

Applicants for Title II Grant Program must identify at least one PPA that the program will address. Applicants may address more than one PPA or a combination of PPAs. There are six (6) PPAs an applicant may select from as shown below:

- Aftercare/Reentry
- Alternatives to Detention and Placement
- Community Based Programs
- Diversion
- Mentoring, Counseling, and Training Programs
- Job Training

The Goals and Objectives for each PPA are provided below as context for the specific proposal requirements.

Aftercare/Reentry

Community-based programs that prepare targeted youth to successfully return to their homes and communities after confinement in a training school, youth correctional facility, or other secure institution. These programs focus on preparing youth for release and providing a continuum of follow-up, post-placement services to promote successful reintegration into the community.

Goal: Ensure that youth, upon entering a secure detention facility, are informed about and engaged in developing a robust reentry plan. This should be part of a comprehensive case planning process that addresses the most critical needs of the individual and provides a broad array of services.

Objectives:

- Increase the number of youth in custodial settings with individual case plans in place that incorporates robust reentry models/plans;
- Identify and support successful and emerging aftercare/reentry models;
- Examine strategies to incentivize successful reentry programs that also address basic needs such as housing, employment and mental health care.
- Increase the number of case plans, including reentry components, that consider the youth's environment and rely on collaboration with families and local support systems; and
- Educate the public about the importance of affording youth a second chance.

Alternatives to Detention and Placement

These are community and home-based alternatives to incarceration and institutionalization, including for youth who need temporary placement such as crisis intervention, shelter, and aftercare, and for youth who need residential placement such as a continuum of foster care or group home alternatives that provide access to a comprehensive array of services.

Goal: Reduce the number of youth arrested and held in secure juvenile facilities.

Objectives:

- Expand the use of and increase the options for holistic alternatives to arrest, detention and out of home placement;
- Increase awareness regarding the detrimental effect of arrest and incarceration on youth;
- Build strategic local partnerships that will serve to increase the awareness and use of effective alternatives to arrest, detention and placement; and
- Create a vehicle for community-based, self-esteem-building and healing-centered alternatives to arrest, detention and placement.

Community Based Programs

Designed to include Parents and other family members to strengthen families and to help keep youth in the home; programs support youth and their families during and after confinement to ensure the youth's safe return to the home and to strengthen the families; and can be designed for parents with limited English-speaking ability.

Goal: Increase the availability of, and access to, community-based and community-run programs and services that help youth, and their families, who are at risk of entering the juvenile justice system or have already entered the system.

Objectives:

- Increase access to community-based and community-run support programs and services for youth, parents and families;
- Promote community-defined success through effective, culturally relevant and gender responsive evaluation strategies and policies; Expand cultural and linguistic services for youth, parents and families; and Foster collaboration between community-based and community-run providers and justice system agencies including law enforcement, probation, and the courts.

Diversion

Programs to divert youth from entering the juvenile justice system, including restorative justice programs such as youth or teen courts, victim-youth mediation, and restorative circles.

Goal: Increase the number of youth diverted from the juvenile justice system.

Objectives:

- Increase the availability and use of diversion practices and programs;
- Use evidence-based assessments that increase objectivity and reduce implicit bias in decision making; and
- Expand awareness and resources for effective non-arrest alternatives, including restorative justice programs, that teach youth to accept responsibility for their actions.

Mentoring, Counseling, and Training Programs

Programs to develop and sustain a one-to-one supportive relationship between a responsible adult age 18 or older (a mentor) and an at-risk youth, a youth who has offended, or a youth who has contact with a parent or legal guardian who is or was incarcerated and contact is on a regular basis (a mentee). These programs may support academic tutoring, vocational and technical training, and drug and violence prevention counseling.

Goal: Promote culturally relevant mentoring, counseling, and training programs that enhance resilience and empower youth.

Objectives:

- Increase mentor recruitment and development to foster more mentor-mentee matches;
- Expand opportunities for youth to participate in drug and violence prevention counseling; and
- Increase vocational and technical training opportunities.

Job Training

Providing job training services is an effective strategy to dissuade delinquency and system involvement for at-risk youth, particularly those out of school and in high-risk situations. The SACJJDP intends to support employment training programs for at-risk youth that prepare participants for employment, provide mentorship and other support services, provide job placements, and make resources available to assist participants retain employment. This comprehensive approach requires collaboration among community-based organizations and employment service agencies. SACJJDP will support projects that enhance the employability of youth or prepare them for future employment by supporting the collaboration between these community-based organizations that provide mentorship and agencies that provide job training and job placement services such as: advocacy centers, educational institutions, and workforce investment boards.

Goal: Incorporate projects that enhance the employability of youth and prepare them for future employment and provide job training and placement services.

Objectives:

- Enhance collaboration between community-based organizations and service providers to provide job training services for youth and job placement services.

Project Cycle and Funding Information

Grant Period

Successful applicants will be funded for a three-year grant project service period commencing on January 1, 2023, and ending on December 31, 2025, and a final evaluation period commencing on January 1, 2026, ending March 31, 2026.

An additional three (3) months (January 1, 2026 through March 31, 2026) will be included in the grant agreement for the sole purposes of:

- Finalizing and submitting a required Local Evaluation Report, and
- Finalizing and submitting any required financial audit.

Funding Availability

Successful applicants will be funded subject to California receiving federal Title II funding for the next (3) three years. In addition to this funding contingency, funding is contingent upon adherence to federal guidelines, Title II RFP and BSCC grant agreement requirements and applicable statutes, and the grantee's ability to demonstrate that annual successful progress is being made towards its proposal goals and objectives.

Approximately \$4,000,000 will be available for the first year of the grant cycle (January 1, 2023 – December 31, 2023). Funding amounts for the second year (January 1, 2024 - December 31, 2024), third year (January 1, 2025 – December 31, 2025), and final evaluation period (January 1, 2026 – March 31, 2026) are contingent on OJJDP Title II awards and amounts not yet known.

The maximum amount of funding available per grant is \$350,000 annually.

Applicants must apply for the same amount of funding for all three years (e.g., first year: \$350,000, second year: \$350,000, and third year: \$350,000; totaling \$1,050,000 for a three-year period). Grantees may be able to carry unspent funds into the next calendar year, with prior BSCC approval. It is extremely important applicants plan and budget carefully and apply only for funding they can justify by services offered and the target population served each year of the three-year grant period.

Applicants are required to request only the amount of funds needed to support their proposal and not base the request solely on the maximum allowed annually (\$350,000).

Funding Distribution & Funding Thresholds

Applicants must receive at least 66% of the total points available to be considered for funding. These eligible applicants will compete in one category. However, as described below, funding shall be prioritized so that (1) at least one "small population" proposal will be funded, (2) at least one Native American Tribe Proposal will be funded, and (3) each of the six priority categories listed on page 1 of this RFP will be funded. These three funding priorities will be implemented as follows:

1. Highest Scoring "Small County Population" Proposal: The highest scoring proposal that meets the minimum scoring threshold submitted by an applicant entity located in a county with a population of less than 200,001 will be funded even if it scores are lower than other proposals. Population shall be determined by using the 2021 population estimates published by the California Department of Finance (see Appendix

D 2021 County Population Index). For an entity with more than one physical location, the address used on the applicant form shall be used to determine in which county the applicant is located.

2. Highest Scoring Native American Tribe Proposal: The highest scoring proposal that meets the minimum scoring threshold submitted by a California tribal applicant or applicant Lead agency partnering with a California tribe will be funded.

3. Six Program Purpose Areas: Applicants will identify one or more Program Purpose Areas (PPAs) that their proposal will address on the Applicant Information Form. It is the intent of this grant to fund at least one proposal in each of the six PPAs, of those that meet the minimum scoring threshold. This means a proposal that funds a particular PPA may be funded even if the proposal scores lower than other proposals that fund different priority areas.

Match Requirement

The Title II Grant Program Grant does not require a match.

Pass-Through Requirement for Government Agencies and Tribes

Lead applicant government agencies or Indian Tribes are required to pass through a minimum of 70% of grant funding to at least one direct service provider. A direct service provider must be a non-governmental organization. An Indian Tribe can satisfy the pass-through requirement if the Indian Tribe provides direct services.

For purposes of the pass-through requirement, pass-through NGOs include community-based organizations (CBOs), faith-based organizations (FBOs), non-profit organizations/501(c)(3)s, evaluators (except government institutions such as universities), grant management companies and any other non-governmental agency or individual. Note: The NGO criteria does not apply to government organizations (e.g., counties, cities, school districts, or federally recognized Indian tribes).

Project Evaluation Requirements

Local Evaluation Plan and Final Local Evaluation Report

In addition to quarterly progress reports, projects selected for funding will be required to submit to the BSCC: (1) a Local Evaluation Plan (LEP), three months post-award, and, (2) a Local Evaluation Report (LER), after the conclusion of the grant. Evaluation planning, oversight, and reporting activities may be funded by up to 5% of the total Title II Grant Program award and can be included within the applicant's proposed budget. See Appendix E Glossary of Terms, for key definitions related to project evaluation.

- **Local Evaluation Plan** - The purpose of the LEP is to ensure that projects funded by the BSCC can be evaluated. Applicants will be expected to include a detailed description of how they plan to assess the effectiveness of the proposed program in relationship to each of its goals and objectives identified in the Proposal. LEP should describe the evaluation design or model that will be used to evaluate the effectiveness of the project component(s), with the project goals and the objectives clearly stated. Applicants should include criteria for both process and outcome

evaluations. Once submitted, any modifications to the LEP must be approved in advance by the BSCC. More detailed instructions on the LEP will be made available to successful applicants. See Appendix F for a sample of the evaluation components.

- **Local Evaluation Report** - Following project completion, grantees are required to complete a final LER which must be in a format prescribed by the BSCC. The purpose of the final LER is to determine whether the overall project was effective in meeting the goals laid out in the LEP. To do this, the grantee must assess and document the effectiveness of the activities that were implemented. These activities should have been identified in the previously submitted LEP. More detailed instructions on the LER will be made available to successful applicants.

Applicants are strongly encouraged to identify research partners early on and include them in the development of the proposal, to better ensure that the goals and objectives listed in the proposal are realistic and measurable. Applicants are also strongly encouraged (but not required) to use outside evaluators to ensure objective and impartial evaluations. Applicants are encouraged to partner with state universities or community colleges for evaluations. Evaluation planning, oversight, and reporting activities may be funded by the Title II Grant Program monies and should be identified within the applicant's proposed budget.

Note: To the extent the local evaluation plan involves research in which either: (1) data is obtained through intervention or interaction with an individual or (2) identifiable private information is obtained from program participants, the local evaluation plan must comply with the requirements of 28 C.F.R. Part 46. This includes compliance with all Office of Justice Programs policies and procedures regarding the protection of human research subjects, including obtainment of Institutional Review Board approval, if appropriate, and subject informed consent. For additional information on whether 28 C.F.R. Part 46 applies to your local evaluation plan, please see:

BSCC Executive Steering Committee Process

Title II Grant Program Executive Steering Committee

To ensure successful program design and implementation, the BSCC uses Executive Steering Committees (ESCs) to inform decision making related to the Board's programs. The BSCC's ESCs are composed of subject matter experts, community partners, and interested parties representing both the public and private sectors. The BSCC makes every attempt to include a diverse representation on its ESCs, in breadth of experience, geography and demographics.

ESCs are convened and approved by the BSCC Board, as the need arises, to carry out specified tasks including the development of RFPs for grant funds. Not only do the ESCs develop RFPs, but members of the ESC also read and rate the proposals submitted by prospective grantees. Once the proposal evaluation process is complete, ESCs submit grant award recommendations to the BSCC Board and the Board then approves, rejects, or revises those recommendations. Members of ESCs are not paid for their time but are reimbursed for travel expenses incurred to attend meetings.

The SACJJDP established a Title II ESC for the purpose of this grant cycle. This Title II Grant Program ESC includes subject matter experts on community engagement, prevention and intervention programs, mental/behavioral health, social services, law enforcement, including individuals who have been impacted by the justice and/or child welfare systems. A list of ESC members can be found in Appendix H.

Conflicts of Interest

Existing law prohibits any grantee, subgrantee, partner or like party who participated on the Title II ESC or who is a member of the SACJJDP that participated in the development of the RFP or approving awards from receiving funds awarded under this RFP. Applicants who are awarded grants under this RFP are responsible for reviewing the Title II ESC membership and the SACJJDP rosters and ensuring that no grant dollars are passed through to any entity represented by the Title II ESC or participating member of the SACJJDP.

See Appendix G for the State Advisory Committee for Juvenile Justice and Delinquency Prevention Membership Roster and Appendix H for the Title II Grant ESC Roster or visit the website at: http://www.bscc.ca.gov/s_titleiigrant

Overview of the RFP Process

Confirmation of Receipt of Proposal

Upon submission of a proposal, applicants will receive a confirmation email from the BSCC stating the proposal has been received. The email will be sent to the individual who signed the application and the person listed as the Project Director.

Disqualification - PLEASE REVIEW CAREFULLY

Disqualification means the proposal will not advance to the Proposal Rating Process and, therefore, will NOT be considered for funding under this grant.

The following will result in a disqualification:

- An electronic version of the complete proposal package is not received by 5:00 p.m. PST on Friday, August 12, 2022.
- The applicant does not meet the following criteria: (1) a government agency, which includes individual agencies or departments within a County, City, School District, (2) a Nonprofit Nongovernmental Organization, or (3) a Federally recognized Indian Tribe (See Appendix B for list of eligible Indian Tribes).
- The Proposal does not address one of the required Program Purpose Areas
- Applicant's funding request exceeds allowable amounts
- Budget Attachment (Excel document) is incomplete, or the total amount included in the budget table does not match the requested amount included elsewhere in the application.
- Proposal Package does not contain items #1-10 listed in the Proposal Checklist. (Note: all of the items on the Proposal Checklist should be submitted and are required prior to grant agreement executed.)

Proposal Rating Process

Unless disqualified, proposals will advance to the Proposal Rating Process. The Title II Grant Program ESC will then read and rate each proposal in accordance with the prescribed rating factors listed in the table below. During the ESC rating period, the SACJJDP will also have a 30-day review period of each eligible proposal.

The ESC members will base their ratings on how well an applicant addresses the items listed under each rating factor within the Proposal Narrative and Budget Sections. ESC member ratings, once submitted to the BSCC, will be final.

At the conclusion of this process, applicants will be notified of the ESC's funding recommendations. It is anticipated that SACJJDP will act on those recommendations at its October 27, 2022, meeting and the BSCC Board will act on the recommendations at its meeting on November 17, 2022. Applicant agencies and partners are not to contact members of the ESC, SACJJDP or the BSCC Board to discuss proposals.

Rating Factors

The Rating Factors to be used and the maximum points assigned to each factor are shown in the table below. Applicants are asked to address each of these factors as a part of their proposal. The Title II Grant Program ESC assigned a percent value to each of the Rating Factors, correlating to its importance (see Percent of Total Value column).

Title II Grant Program Rating Factors and Scoring System

Rating Factors	Point Range	Percent of Total Value	Weighted Rating Factor Score
Project Need	0 - 5	25%	37.5
Project Description	0 - 5	30%	45
Project Organizational Capacity and Coordination	0 - 5	20%	30
Project Evaluation and Monitoring	0 - 5	10%	15
Project Budget	0 - 5	15%	22.5
Maximum Proposal Score		100%	150

*****PLEASE NOTE: TO BE CONSIDERED FOR FUNDING, A PROPOSAL MUST MEET A MINIMUM WEIGHTED SCORE OF 99 (66% OF THE 150 MAXIMUM PROPOSAL SCORE)*****

Raters will score an applicant's response in each of the Rating Factor categories on a scale of 0-5, according to the Six-Point Rating Scale shown below. For each rating factor, the rating point received is then weighted according to the "Percent of Total Value" column (determined by the ESC) associated with the Rating Factor to arrive at the Weighted Rating Factor Score. The Weighted Rating Factor Scores are then added together for a final overall proposal score.

Six-Point Rating Scale

Not Responsive 0	Poor 1	Fair 2	Satisfactory 3	Good 4	Excellent 5
The response fails to address the criteria.	The response addresses the criteria in a very inadequate way.	The response addresses the criteria in a non-specific or unsatisfactory way.	The response addresses the criteria in an adequate way.	The response addresses the criteria in a substantial way.	The response addresses the criteria in an outstanding way.

Scoring Threshold/Minimum Score

To be considered for funding, a proposal must meet a threshold of **66 percent (66%)**, or minimum proposal score of **99** total points, to be considered for funding.

General BSCC Grant Requirements

Grant Agreement

Applicants approved for funding by the BSCC are required to enter into a Grant Agreement with the BSCC. Grantees must agree to comply with all terms and conditions of the Grant Agreement. See Appendix I for a Sample Grant Agreement.

The Grant Agreement start date is expected to be January 1, 2023. Grant Agreements are considered fully executed only after they are signed by both the Grantee and the BSCC. Work, services, and encumbrances cannot begin prior to the Grant Agreement start date. Work, services, and encumbrances which occur after the start date but prior to grant agreement execution have the potentiality of being disallowed or not being reimbursed. Grantees are responsible for maintaining their Grant Agreement, all invoices, records, and relevant documentation for at least three (3) years after the final payment under the contract.

Governing Board/Tribal Council Resolution

Before the grant award can be finalized and funds awarded, a successful applicant must submit either a resolution from its Governing Board or tribal council that delegates authority to the individual authorized to execute the grant agreement or sufficient documentation indicating that the individual who signs the grant agreement has been vested with plenary authority to execute grant agreements (e.g., a municipal ordinance or county ordinance/charter delegating such authority to a city manager or county executive officer or other governing board resolution delegating authority).

Non-profit/501(c)(3) applicants or business entities with boards of directors must provide evidence that the person signing the grant agreement has signing authority, which may include articles of incorporation, bylaws, or a board resolution conferring authority to the signatory.

This documentation is not required at the time of proposal submittal, but applicants are advised that the grant agreement will not be fully executed, nor will any financial invoices be processed for reimbursement until the required documentation has been received by the BSCC.

A sample Resolution can be found in *Appendix J*.

Audit Requirements

An organization that expends \$750,000 or more during the fiscal year in federal awards must have a single or program-specific audit conducted for that year in accordance with the federal provisions.

Organizations expending less than \$750,000 during their fiscal year are not required to have an annual audit for the year but must ensure that their grant related records are made available to the BSCC.

The BSCC reserves the right to call for a program or financial audit at any time between the execution of the contract and three years following the end of the grant period.

Supplanting

BSCC grant funds shall be used to support new program activities or to augment existing funds that expand current program activities. BSCC grant funds shall not be used to replace existing funds.

Supplanting is strictly prohibited for all BSCC grants. When using outside funds as match, applicants must be careful not to supplant. Supplanting is the deliberate reduction in the amount of federal, state, or local funds being appropriated to an existing program or activity because grant funds have been awarded for the same purposes.

It is the responsibility of the Grantee to ensure that supplanting does not occur. The Grantee must keep clear and detailed financial records to show that grant funds are used only for allowable costs and activities.

Grantee Orientation Process

Following the start of the grant period, BSCC staff will conduct a Grantee Orientation in Sacramento (at a date to be determined later). The purpose of this mandatory session is to review the program requirements, invoicing and budget modification processes, data collection and reporting requirements, as well as other grant management and monitoring activities. Typically, the Project Director, Financial Officer, Day-to-Day Contact, and the Evaluator must attend. Grant recipients may use Title II Grant Program funds for travel-related expenditures such as airfare, mileage, meals, lodging, and other per diem costs. Applicants should include anticipated costs in the budget section of the proposal under the "Other" category.

Disbursements

Disbursement of grant funds occurs on a reimbursement basis for costs incurred during a reporting period. The State Controller's Office (SCO) will issue the warrant (check) to the individual designated on the application form as the Financial Officer for the grant. Grantees must submit invoices to the BSCC on a quarterly basis through the online process no later than 45 days following the end of each quarter. Grantees must maintain adequate supporting documentation for all costs claimed on invoices. BSCC staff will conduct on-site monitoring visits that will include a review of documentation maintained as substantiation for project expenditures.

Quarterly Progress Reports

Grant award recipients are required to submit quarterly progress reports to the BSCC. Progress reports are a critical element in BSCC's monitoring and oversight process. Grantees who are unable to demonstrate that they are making sufficient progress toward project goals and objectives and that funds are being spent down in accordance with the Grant Award Agreement could be subject to the withholding of funds. Once grants are awarded, BSCC will work with grantees to create custom progress reports. Applicable forms and instructions will be available to grantees on the BSCC's website. See Appendix K for a sample progress report.

Travel

Travel is usually warranted when personal contact by project staff is the most appropriate method of conducting project-related business. Travel to and from training conferences may also be allowed. The most economical method of transportation, in terms of direct expenses to the project and the employee's time away from the project, must be used.

Projects are required to include sufficient per diem and travel allocations for project-related personnel, as outlined in the Grant Award, to attend any mandated BSCC training conferences or workshops outlined in the terms of the program.

Tribes

Tribes must use the California State travel and per diem policy, unless the Grantee's written travel policy is more restrictive than the State's, in which case it must be used. Reimbursement is allowed for the cost of commercial carrier fares, parking, bridge, and road tolls, as well as necessary taxi, bus, and streetcar fares.

Units of Government

Units of government may follow either their own written travel and per diem policy or the State's policy. Units of government that plan to use cars from a state, county, city, district carpool, or garage may budget either the mileage rate established by the carpool or garage, or the state mileage rate, not to exceed the loaning agency rate.

Non-Governmental Organizations (NGOs)

An NGO receiving BSCC funds must use the State travel and per diem policy, unless the grantee's written travel policy is more restrictive than the State's, in which case it must be used. Reimbursement is allowed for the cost of commercial carrier fares, parking, bridge, and road tolls, as well as necessary taxi, bus, and streetcar fares. This policy applies equally to NGOs that receive grant funds directly from the BSCC and those that receive grant funds indirectly through a subcontract with another NGO that received a BSCC grant award..

Out-of-State Travel

Out-of-state travel is restricted and only allowed in exceptional situations. Grantees must receive written BSCC approval prior to incurring expenses for out-of-state travel. Even if previously authorized in the Grant Award, Grantees must submit to the BSCC a separate formal request (on Grantee letterhead) for approval. Out-of-state travel requests must include a detailed justification and budget information.

In addition, California prohibits travel, except under specified circumstances, to states that have been found by the California Attorney General to have discriminatory laws. The BSCC will not reimburse for travel to these states unless the travel meets a specific exception under Government Code section 11139.8, subdivision (c). For additional information, please see: <https://oag.ca.gov/ab1887>.

Debarment, Fraud, Theft, or Embezzlement

It is the policy of the BSCC to protect grant funds from unreasonable risks of fraudulent, criminal, or other improper use. As such, the Board will not enter into contracts or provide reimbursement to applicants that have been:

1. debarred by any federal, state, or local government entities during the period of debarment; or
2. convicted of fraud, theft, or embezzlement of federal, state, or local government grant funds for a period of three (3) years following conviction.

Furthermore, the BSCC requires grant recipients to provide an assurance that there has been no applicable debarment, disqualification, suspension, or removal from a federal,

state or local grant program on the part of the grantee at the time of application and that the grantee will immediately notify the BSCC should such debarment or conviction occur during the term of the grant contract.

The BSCC also requires that all grant recipients include, as a condition of award to a subgrantee or subcontractor, a requirement that the subgrantee or subcontractor will provide the same assurances to the grant recipient. If a grant recipient wishes to consider a subgrantee or subcontractor that has been debarred or convicted, the grant recipient must submit a written request for exception to the BSCC along with supporting documentation.

All applicants must complete Appendix L certifying they are in compliance with the BSCC's policies on debarment, fraud, theft, and embezzlement.

Compliance Monitoring Visits

BSCC staff will monitor each project to assess whether the project is in compliance with grant requirements and making progress toward grant objectives. As needed, monitoring visits may also occur to provide technical assistance on fiscal, programmatic, evaluative, and administrative requirements.

For your reference, the Comprehensive Monitoring Visit checklist can be found on our [website](#).

Federal Requirements

If selected for funding, in addition to implementing the funded project consistent with the approved application, grantees must comply with all grant award requirements, which include all applicable federal statutes, regulations, policies, guidelines and requirements, including all Title II Award Federal Conditions.

Refer to Exhibits E of the Sample Grant Agreement (Appendix I) to review the 2020 Title II Award Federal Conditions. Please note that federal award conditions are subject to change in subsequent funding years and grantees will be required to comply with any future changes to remain eligible for federal funding

Promising, Data-Driven, and Innovative Approaches

The BSCC is committed to supporting a focus on better outcomes in the criminal justice system and for those involved in it. Applicants seeking funding through this grant process are required to use data and research to drive decision-making in the development, implementation, and evaluation of their overall projects.

Applicants are therefore required to use data to drive conscientious decision-making in the development, implementation, and appraisal of their overall projects. Applicants should be able to demonstrate that their proposal is linked to the implementation of practices and strategies supported by data.

The SACJJDP also encourages grantees to employ the core principles of evidence-based practice (EBP) or community defined evidence practices (CDEP), which places an

emphasis on achieving measurable outcomes, and making sure the services provided and the resources utilized are effective.

While grantees are encouraged to develop projects that incorporate the principles of evidence-based practice, the SACJJDP also recognizes that services must be tailored to fit the needs of the communities they serve. Innovation and creativity are permitted but should be founded upon existing data and research on best practices in this field.

Applicants seeking funding through this grant process are required to demonstrate that they will adhere to the basic principles of evidence-based practice (e.g., using data and research to drive decision-making) in the development, implementation, and evaluation of their overall projects.

The concept of evidence-based practice was developed outside of criminal justice and is commonly used in other applied fields such as medicine, nursing, and social work. In criminal justice, this term marks a significant shift by emphasizing measurable outcomes and ensuring that services and resources are effective in achieving the desired outcomes. The BSCC is committed to supporting this focus on better outcomes for the entire criminal justice system and for those involved in it.

For this RFP, applicants should focus on the following three basic principles:

1. Is there evidence or data to suggest that the intervention or strategy is likely to work, i.e., produce a desired benefit?

For example, was the intervention or strategy selected used by another jurisdiction with documented positive results? Is there published research on the intervention chosen to implement showing its effectiveness? Is the intervention or strategy being used by another jurisdiction with a similar problem and similar target population?

2. Once an intervention or strategy is selected, will you be able to demonstrate that it is being carried out as intended?

For example, does this intervention or strategy provide for a way to monitor quality control or continuous quality improvement? If this intervention or strategy was implemented in another jurisdiction, are there procedures in place to ensure that the model is followed closely (so the project is more likely to achieve similar desired outcomes)?

3. Is there a plan to collect evidence or data that will allow for an evaluation of whether the intervention or strategy worked?

For example, will the intervention or strategy selected allow for the collection of data or other evidence so that outcomes can be measured at the conclusion of the project? Are there processes in place to identify, collect and analyze that data/evidence?

Applicants are encouraged to develop an overall project that incorporates these principles and is tailored to fit the needs of the communities they will serve. Plans to measure the effectiveness of a project should include the use of both qualitative and quantitative data/information. While quantitative data/information is based on numbers and mathematical calculations, qualitative data/information is based on written or spoken

narratives. The purpose of quantitative data/information is to explain, predict and/or control events through focused collection of numerical data, while the purpose of qualitative data/information is to explain and gain insight and understanding of events through the collection of narrative data/information.

Additional resources on evidence-based programs and promising programs and practices are provided in Appendix N.

Reducing Racial and Ethnic Disparity

Research shows that youth and adults of color are significantly overrepresented in the criminal justice system in California³. BSCC supports efforts to reduce racial and ethnic disparities and encourages others to do the same. The BSCC has undertaken several activities to ensure that California addresses this concern including trainings.

Title II Grant Program funding recipients may be included in training opportunities and will be invited to attend R.E.D. training by the BSCC if it is available during the project period. Grantees will be advised of the dates and locations after the start of the grant period.

For additional information about reducing racial and ethnic disparity (R.E.D.), prospective applicants may contact the R.E.D. Coordinator, Field Representative Timothy Polasik, at Timothy.Polasik@bscc.ca.gov.

Appendix C: Criteria for Non-Governmental Organizations Receiving Title II Grant Program Funds

The Title II Grant Program Request for Proposals (RFP) includes requirements that apply to non-governmental, community-based organizations providing service with grant funds⁴. Grantees are responsible for ensuring that all contracted third parties continually meet these requirements as a condition of receiving any Title II Grant Program funds.

Any non-governmental organization that receives Title II grant funds (as either a direct grantee, subgrantee, or subcontractor) must:

- Have been duly organized, in existence, and in good standing at least six (6) months prior to the effective date of its fiscal agreement with the BSCC or with the Title II grantee;
 - Non-governmental entities that have recently reorganized or have merged with other qualified non-governmental entities that were in existence prior to the six-month date are also eligible, provided all necessary agreements have been executed and filed with the California Secretary of State prior to the start date of the grantee-subcontractor fiscal agreement.
- Be registered with the California Secretary of State's Office, if applicable;
- Have a valid business license, if required by the applicable local jurisdiction;
- Have a valid Employer Identification Number (EIN) or Taxpayer ID (if sole proprietorship);
- Have any other state or local licenses or certifications necessary to provide the services requested (e.g., facility licensing by the Department of Health Care Services), if applicable; and,
- Have a physical address in the State of California. (An agent for service of process with a California address is insufficient.)

In the table below, provide the name of the Grantee and list all contracted parties.

Grantee:

Name of Contracted Party	Address	Email / Phone	Meets All Requirements
			Yes <input type="checkbox"/> No <input type="checkbox"/>
			Yes <input type="checkbox"/> No <input type="checkbox"/>
			Yes <input type="checkbox"/> No <input type="checkbox"/>
			Yes <input type="checkbox"/> No <input type="checkbox"/>

⁴ Non-Governmental Organizations (NGOs) include community-based organizations, faith-based organizations, non-profit organizations/501(c)(3)s, for profit service providers, evaluators (except government institutions such as universities), grant management companies and any other non-governmental agency or individual.

NOTE: These criteria do not apply to government organizations (e.g., counties, cities, school districts, etc.).

Grantees are required to update this list and submit it to BSCC any time a new third-party contract is executed after the initial assurance date. Grantees shall retain (on-site) applicable source documentation for each contracted party that verifies compliance with the requirements listed in the Title II RFP. These records will be subject to all records and retention language in the Standard Agreement.

Unless prior approval is obtained, the BSCC prohibits disbursement or reimbursement to any NGO that does not meet the requirements listed above and for which the BSCC does not have a signed grantee assurance on file.

A signature below is an assurance that all requirements listed above have been met.

Appendix E: Glossary of Terms

Community Defined Evidence Practice

Community Defined Evidence Practice (CDEP) is a set of practices that communities have used and found to yield positive results as determined by community consensus over time, these practices may or may not have been measured empirically but have reached a level of acceptance by the community. The central goal is to develop an evidence-base using cultural and/or community indicators that identify community-defined and community-based practices that work for, and matter to, these communities.

Cultural Competence

Cultural competence⁵ is a set of congruent behaviors, attitudes, and policies that come together in a system, agency or among professionals and enable that system, agency or those professions to work effectively in cross-cultural situations.

The word **culture** is used because it implies the integrated pattern of human behavior that includes thoughts, communications, actions, customs, beliefs, values and institutions of a racial, ethnic, religious or social group. The word **competence** is used because it implies having the capacity to function effectively. Five essential elements contribute to a system's institution's, or agency's ability to become more culturally competent which include:

1. Valuing diversity
2. Having the capacity for cultural self-assessment
3. Being conscious of the dynamics inherent when cultures interact
4. Having institutionalized culture knowledge
5. Having developed adaptations to service delivery reflecting an understanding of cultural diversity

These five elements should be manifested at every level of an organization including policy making, administrative, and practice. Further these elements should be reflected in the attitudes, structures, policies and services of the organization.

Evidence-based

Evidence-based practices are programs and strategies that have been found effective at improving positive or preventing negative health outcomes, using rigorous scientific research methods. Programs and strategies may be evidence-based across all populations, or only for particular cultures and identities.

Promising Practices

Promising practices are programs and strategies that have shown some positive results and potential for improving desired health outcomes. They may have evidence from use in real-world settings, a strong theoretical framework, and/or expert opinion, but have not been fully replicated in scientific studies. Depending on the level of scientific evidence, these are sometimes referred to as "evidence-informed," "research-supported," or "emerging" practices.

Applicants may find it helpful to review the information on evidence-based practices in Appendix K of this RFP as well as in the Substance Abuse and Mental Health Services Administration's (SAMHSA) Guide to Evidence-Based Practices available at: <https://www.samhsa.gov/ebp-resource-center>.

Financial Audit

A financial audit provides assurances that an organization's financial statements are free of material misstatement based upon the application of generally accepted accounting principles.

Non-Governmental Organization

A non-governmental organization (NGO) is a local public organization that provides services to a community consisting of individuals, groups, or other organizations that constitute the local or community service population. In the context of the Proud Parenting Grant Program, an NGO is generally considered to be a non-government, non-law enforcement organization that provides services individuals that are at risk of involvement or already involved with the justice system. In this RFP, NGOs and nonprofit organizations are also referred to as CBOs or Community-Based Organizations (CBOs).

Trauma

Trauma is an experience(s) that causes intense physical and psychological stress reactions. It can refer to a single event, multiple events, or a set of circumstances that is experienced by an individual as physically and emotionally harmful or threatening and that has lasting adverse effects on the individual's physical, social, emotional, cognitive, or spiritual well-being.

Trauma-Informed Approach

A trauma-informed approach is one in which all parties involved recognize and respond appropriately to the impact of traumatic stress designed to the youth's individual needs and ensure the physical and psychological safety of all youth, family members, and staff. A trauma-informed approach realizes the prevalence of trauma and why a trauma-informed approach is important; recognize how trauma affects all individuals in an organization, program, system, and/or workforce; responds effectively and with compassion; and actively works to resist re-traumatization.

Trauma-Informed Care

Trauma-informed care is a strengths-based service delivery approach "that is grounded in an understanding of and responsiveness to the impact of trauma, that emphasizes physical, psychological, and emotional safety for both providers and survivors, and that creates opportunities for survivors to rebuild a sense of control and empowerment" (Hopper, Bassuk, & Olivet, 2010, p. 82). It also involves vigilance in anticipating and avoiding institutional processes and individual practices that are likely to retraumatize individuals who already have histories of trauma, and it upholds the importance of consumer participation in the development, delivery, and evaluation of services.

Examples of program objectives⁶:

- By the end of the program, young, drug-addicted juveniles will recognize the long-term consequences of drug use.

⁶ Hopper, E. K., Bassuk, E. L., & Olivet, J. (2010). *Shelter from the storm: Trauma-informed care in homelessness services settings*. The Open Health Services and Policy Journal, 3, 80–100. As cited in the SAMSHA TIP 57 *A treatment Improvement Protocol: Trauma-Informed Care in Behavioral Services*. .

- To place eligible juveniles in an intensive supervision program within two weeks of adjudication to ensure offender accountability and community safety.
- To ensure that juvenile offenders carry out all of the terms of the mediation agreements they have worked out with their victims by program completion.

EVALUATIVE TERMS

Local Evaluation Plan and Local Evaluation Report⁷

The purpose of the Local Evaluation Plan and the Local Evaluation Report is to identify whether the program achieved its goals and objectives. Outcome measures are designed to answer the question: “What results did the program produce?” Examples of outcome measures could include:

- Results of pre/post surveys (e.g., improvements in the number of high school graduates or reductions in law enforcement contacts).
- Implementation of programs aimed at increasing the number of youth enrolled in mentoring programs.
- Changes in policies that improve access to alcohol and substance use prevention services for youth.

Goal versus Objective

Goals and objectives are necessary components of the Local Evaluation Plan and the Project Work Plan. These common terms are sometimes used interchangeably because both refer to the intended results of program activities. Goals are longer-term than objectives, more broadly stated and govern the specific objectives to which program activities are directed.

In proposals, goals are defined by broad statements of what the program intends to accomplish, representing the long-term intended outcome of the program⁸.

Examples of goal statements⁹:

- To reduce the number of serious and chronic juvenile offenders.
- To reduce the number of youths who exhibit a pattern of chronic offending.
- To divert youth who commit nonviolent offenses from state juvenile correctional institutions.
- To restore the losses suffered by the victims of crimes.
- To make improvements in academic behavior and/or achievement.
- To reduce rates of youth substance use in the target area.

Objectives are statements of specific, measurable aims of program activities. Objectives detail the tasks that must be completed to achieve goals. Descriptions of objectives in the proposals should include three (3) elements:¹⁰

- 1) Direction – the expected change or accomplishment (e.g., improve, maintain);
- 2) Timeframe – when the objective will be achieved; and
- 3) Target Population – who is affected by the objective.

Examples of program objectives:¹¹

- By the end of the program, drug-addicted youth will recognize the long-term consequences of drug use.
- To place eligible youth in an intensive supervision program within two weeks of adjudication to ensure their accountability and the community's safety.
- To ensure the youth in this program carry out all the terms of the mediation agreements they have worked out with their victims by program completion.
- To improve the self-discipline and study habits of youth enrolled.

Process Evaluation versus Outcome Evaluation

Process Evaluation¹²

The purpose of the process evaluation is to assess how program activities are being carried out in accordance with goals and objectives. Process measures are designed to answer the question: "What is the program actually doing and is this what we planned it to do?" Examples of process measures could include:

- Project staff have been recruited, hired and trained according to the proposal.
- Activities/strategies have been implemented on time according to the proposal.
- Number of interagency agreements entered into by the program compared to the number planned.
- Number of trainings conducted.
- Number of neighborhood meetings conducted.

Outcome Evaluation¹³

The purpose of the outcome evaluation is to identify whether the program "worked" in terms of achieving its goals and objectives. Outcome measures are designed to answer the question: "What results did the program produce?" Examples of outcome measures include:

- Results of pre/post surveys (e.g., changes in the reported confidence/trust in law enforcement among community members).
- Implementation of regular, ongoing community forums where law enforcement/community dialogue takes place.
- Changes in policies at the Lead Agency level to reflect procedural justice principles.

In an evidence-based practice approach, outcome evaluations must include not only the measures but also analysis of the extent to which the measured results can be attributed to the program rather than to coincidence or alternative explanations.

Principles of Effective Intervention

During the past two decades, there has been renewed interest in examining correctional research. These efforts have been led by researchers such as Gendreau, Andrews,

¹¹ *Id.*

¹² *Id.* at pp. 7.

¹³ *Id.* at pp. 7-8.

Cullen, Lipsey and others.¹² Much evidence has been generated, leading to the conclusion that many rehabilitation programs have, in fact, produced significant reductions in recidivism. The next critical issue became the identification of those characteristics most commonly associated with effective programs. Through the work of numerous scholars (Andrews et al., 1990¹³; Cullen and Gendreau, 2000¹⁴; Lipsey 1999¹⁵), several “principles of effective intervention” have been identified. These principles can be briefly categorized as the following:

- Assess Actuarial Risk/Needs
- Enhance Intrinsic Motivation
- Target Interventions
 - Risk Principle
 - Need Principle
 - Responsivity Principle
 - Dosage
 - Treatment Principle
- Skill Train with Directed Practice
- Increase Positive Reinforcement
- Engage Ongoing Support in Natural Communities
- Measure Relevant Processes/Practices
- Provide Measurement Feedback

Qualitative Data

Qualitative data (information) is based on written or spoken narratives. The purpose of qualitative data (information) is to explain and gain insight and understanding of events through collection of narrative data/information.

Quantitative Data

Quantitative data is based on numbers and mathematical calculations. The purpose of quantitative data is to explain, predict, and/or control events through focused collection of numerical data

8. AUDIT

Grantee is required to complete an audit annually for each fiscal year/audit period, or fraction thereof, for the entire three-year grant cycle. Grantees may choose either a program-specific audit or a single federal audit. Federal guidelines allow grantees receiving \$750,000 or more in federal funds in a fiscal year to use their federal justice assistance grant funds to pay for the cost of the audit. Grantees falling below the \$750,000 threshold must use non-federal funds (i.e., match funds) to pay for audit costs. For purposes of this grant award, please check one of the boxes below to indicate the grantee's choice for meeting the audit requirement.

- ☐ In conformance with Federal Office of Management and Budget (OMB) CFR Part 200 – Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, and the California State Controller's Accounting Standards and Procedures, Chapter 23, Grant Accounting Index, the identified grant will be included in the City/County Single Federal Audit Report, which will be submitted to the BSCC within 30 days of the Grantee's receipt of the report or within nine months following the end of the audit period, whichever is earlier.

OR

- ☐ In conformance with Federal Office of Management and Budget (OMB) CFR Part 200 – Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, and the California State Controller's Accounting Standards and Procedures Chapter 23, Grant Accounting Index, the grantee will provide a Program-Specific Final Audit Report to the BSCC within 30 days of the Grantee's receipt of the report or within nine months following the end of the audit period, whichever is earlier.

OR

- ☐ In conformance with Federal Office of Management and Budget (OMB) CFR Part 200 – Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, the non-governmental entity grantee **does not expend \$750,000 or more** in total federal awards during the fiscal year and is therefore, exempt from Federal audit requirements for this grant contract period. However, the entity understands that it must keep and maintain the grant records and make them available for review or audit by appropriate officials of the Federal agency, pass-through agency (i.e., the Board of State and Community Corrections) and Governmental Accountability Office.

9. DATA UNIVERSAL NUMBERS SYSTEM (DUNS)

EXHIBIT A: SCOPE OF WORK

2. GRANT AMOUNT AND LIMITATION

- A. In no event shall the BSCC be obligated to pay any amount in excess of the grant award. Grantee waives any and all claims against the BSCC and the State of California on account of project costs that may exceed the sum of the grant award.

EXHIBIT B: BUDGET DETAIL AND PAYMENT PROVISIONS

- B. Under no circumstance will a budget item change be authorized that would cause the project to exceed the amount of the grant award identified in this Grant Agreement.

3. BUDGET CONTINGENCY CLAUSE

- A. This grant agreement is valid through Title II Grant Program funding generated from the General Fund. The Grantee agrees that the BSCC's obligation to pay any sum to the grantee under any provision of this agreement is contingent upon the availability of sufficient funding granted through the passage of Assembly Bill 97 (Statutes of 2017, Chapter 14), also known as the California Budget Act of 2017. It is mutually agreed that if the Budget Act of the current year and/or any subsequent years covered under this Grant Agreement does not appropriate sufficient funds for the program, this Grant Agreement shall be of no further force and effect. In this event, the BSCC shall have no liability to pay any funds whatsoever to Grantee or to furnish any other considerations under this Agreement and Grantee shall not be obligated to perform any provisions of this Grant Agreement.
- B. If Title II Grant Program funding is reduced or falls below estimates contained within the Title II Grant Program Request for Proposals, the BSCC shall have the option to either cancel this Grant Agreement with no liability occurring to the BSCC or offer an amendment to this agreement to the Grantee to reflect a reduced amount.
- C. If BSCC cancels the agreement pursuant to Paragraph 3(B) or Grantee does not agree to an amendment in accordance with the option provided by Paragraph 3(B), it is mutually agreed that the Grant Agreement shall have no further force and effect. In this event, the BSCC shall have no liability to pay any funds whatsoever to Grantee or to furnish any other considerations under this Agreement and Grantee shall not be obligated to perform any provisions of this Grant Agreement except that Grantee shall be required to maintain all project records required by Paragraph 6 of Exhibit A for a period of three (3) years following the termination of this agreement.

4. PROJECT COSTS

- A. Grantee is responsible for ensuring that actual expenditures are for eligible project costs. "Eligible" and "ineligible" project costs are set forth in the July 2020 BSCC Grant Administration Guide, which can be found under Quick Links here: https://www.bscc.ca.gov/s_correctionsplanningandprograms/. The provisions of the BSCC Grant Administration Guide are incorporated by reference into this agreement and Grantee shall be responsible for adhering to the requirements set forth therein. To the extent any of the provisions of the BSCC Grant Administration Guide and this agreement conflict, the language in this agreement shall prevail.

EXHIBIT B: BUDGET DETAIL AND PAYMENT PROVISIONS

- B. Grantee is responsible for ensuring that invoices submitted to the BSCC claim actual expenditures for eligible project costs.
- C. Grantee shall, upon demand, remit to the BSCC any grant funds not expended for eligible project costs or an amount equal to any grant funds expended by the Grantee in violation of the terms, provisions, conditions or commitments of this Grant Agreement.
- D. Grant funds must be used to support new program activities or to augment existing funds that expand current program activities. Grant funds shall not replace (supplant) any federal, state and/or local funds that have been appropriated for the same purpose. Violations can result in recoupment of monies provided under this grantor suspension of future program funding through BSCC grants.

5. PROMPT PAYMENT CLAUSE

Payment will be made in accordance with, and within the time specified in, Government Code Chapter 4.5, commencing with Section 927.

6. WITHHOLDING OF GRANT DISBURSEMENTS

- A. The BSCC may withhold all or any portion of the grant funds provided by this Grant Agreement in the event the Grantee has materially and substantially breached the terms and conditions of this Grant Agreement.
- B. At such time as the balance of state funds allocated to the Grantee reaches five percent (5%), the BSCC may withhold that amount as security, to be released to the Grantee upon compliance with all grant provisions, including:
 - 1) submittal and approval of the final invoice;
 - 2) submittal and approval of the final progress report; and
 - 3) submittal and approval of any additional required reports.
- C. The BSCC will not reimburse Grantee for costs identified as ineligible for grant funding. If grant funds have been provided for costs subsequently deemed ineligible, the BSCC may either withhold an equal amount from future payments to the Grantee or require repayment of an equal amount to the State by the Grantee.
- D. In the event that grant funds are withheld from the Grantee, the BSCC's Executive Director or designee shall notify the Grantee of the reasons for withholding and advise the Grantee of the time within which the Grantee may remedy the failure or violation leading to the withholding.

If the Grantee is not satisfied with the decision of the BSCC Corrections Planning and Grant Programs Division Deputy Director, the Grantee may appeal the decision, in writing, within 15 days of its issuance (or the expiration of the 30-day period in the event no decision is rendered), to the BSCC Executive Director, who shall have 45 days to render a final decision. If the Grantee does not appeal the decision of the BSCC Corrections Planning and Grant Programs Division Deputy Director, the decision shall be conclusive and binding regarding the dispute and the Contractor shall be barred from commencing an action in court, or with the Victims Compensation Government Claims Board, for failure to exhaust Grantee's administrative remedies.
- B. Pending the final resolution of any dispute arising under, related to or involving this Grant Agreement, Grantee agrees to diligently proceed with the performance of this Grant Agreement, including the providing of services in accordance with the Grant Agreement. Grantee's failure to diligently proceed in accordance with the State's instructions regarding this Grant Agreement shall be considered a material breach of this Grant Agreement.
- C. Any final decision of the State shall be expressly identified as such, shall be in writing, and shall be signed by the Executive Director, if an appeal was made. If the Executive Director fails to render a final decision within 45 days after receipt of the Grantee's appeal for a final decision, it shall be deemed a final decision adverse to

The State's final decision shall be conclusive and binding regarding the dispute unless the Grantee commences an action in a court of competent jurisdiction to contest such decision within 90 days following the date of the final decision or one (1) year following the accrual of the cause of action, whichever is later.

- D. The dates of decision and appeal in this section may be modified by mutual consent, as applicable, excepting the time to commence an action in a court of competent jurisdiction.

The conditions of this award are material requirements of the award. Compliance with any assurances or certifications submitted by or on behalf of the recipient that relate to conduct during the period of performance also is a material requirement of this award.

Limited Exceptions. In certain special circumstances, the U.S. Department of Justice ("DOJ") may determine that it will not enforce, or enforce only in part, one or more requirements otherwise applicable to the award. Any such exceptions regarding enforcement, including any such exceptions made during the period of performance, are (or will be during the period of performance) set out through the Office of Justice Programs ("OJP") webpage entitled "Legal Notices: Special circumstances as to particular award conditions" (ojp.gov/funding/Explore/LegalNotices-AwardReqs.htm), and incorporated by reference into the award.

By signing and accepting this award on behalf of the recipient, the authorized recipient official accepts all material requirements of the award, and specifically adopts, as if personally executed by the authorized recipient official, all assurances or certifications submitted by or on behalf of the recipient that relate to conduct during the period of performance.

Failure to comply with one or more award requirements -- whether a condition set out in full below, a condition incorporated by reference below, or an assurance or certification related to conduct during the award period -- may result in OJP taking appropriate action with respect to the recipient and the award. Among other things, the OJP may withhold award funds, disallow costs, or suspend or terminate the award. DOJ, including OJP, also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or -unenforceable, such provision shall be deemed severable from this award.

2. Applicability of Part 200 Uniform Requirements

The Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by DOJ in 2 C.F.R. Part 2800 (together, the "Part 200 Uniform Requirements") apply to this FY 2020 award from OJP.

EXHIBIT E: 2020 TITLE II AWARD FEDERAL CONDITIONS

The Part 200 Uniform Requirements were first adopted by DOJ on December 26, 2014. If this FY 2020 award supplements funds previously awarded by OJP under the same award number (e.g., funds awarded during or before December 2014), the Part 200 Uniform Requirements apply with respect to all funds under that award number (regardless of the award date, and regardless of whether derived from the initial award or a supplemental award) that are obligated on or after the acceptance date of this FY 2020 award.

For more information and resources on the Part 200 Uniform Requirements as they relate to OJP awards and subawards ("subgrants"), see the OJP website at <https://ojp.gov/funding/Part200UniformRequirements.htm>

Record retention and access: Records pertinent to the award that the recipient (and any subrecipient ("subgrantee") at any tier) must retain -- typically for a period of 3 years from the date of submission of the final expenditure report (SF 425), unless a different retention period applies -- and to which the recipient (and any subrecipient ("subgrantee") at any tier) must provide access, include performance measurement information, in addition to the financial records, supporting documents, statistical records, and other pertinent records indicated at 2 C.F.R. 200.333.

In the event that an award-related question arises from documents or other materials prepared or distributed by OJP that may appear to conflict with, or differ in some way from, the provisions of the Part 200 Uniform Requirements, the recipient is to contact OJP promptly for clarification.

3. Compliance with DOJ Grants Financial Guide

References to the DOJ Grants Financial Guide are to the DOJ Grants Financial Guide as posted on the OJP website (currently, the "DOJ Grants Financial Guide" available at <https://ojp.gov/financialguide/DOJ/index.htm>), including any updated version that may be posted during the period of performance. The recipient agrees to comply with the DOJ Grants Financial Guide.

4. Reclassification of various statutory provisions to a new Title 34 of the United States Code

On September 1, 2017, various statutory provisions previously codified elsewhere in the U.S. Code were editorially reclassified (that is, moved and renumbered) to a new Title 34, entitled "Crime Control and Law Enforcement." The reclassification encompassed a number of statutory provisions pertinent to OJP awards (that is, OJP grants and cooperative agreements), including many provisions previously codified in Title 42 of the U.S. Code.

Effective as of September 1, 2017, any reference in this award document to a statutory provision that has been reclassified to the new Title 34 of the U.S. Code is to be read as a reference to that statutory provision as reclassified to Title 34. This rule of construction specifically includes references set out in award conditions, references set out in material

EXHIBIT E: 2020 TITLE II AWARD FEDERAL CONDITIONS

incorporated by reference through award conditions, and references set out in other award requirements.

5. Required training for Point of Contact and all Financial Points of Contact

Both the Point of Contact (POC) and all Financial Points of Contact (FPOCs) for this award must have successfully completed an "OJP financial management and grant administration training" by 120 days after the date of the recipient's acceptance of the award. Successful completion of such a training on or after January 1, 2018, will satisfy this condition.

In the event that either the POC or an FPOC for this award changes during the period of performance, the new POC or FPOC must have successfully completed an "OJP financial management and grant administration training" by 120 calendar days after -- (1) the date of OJP's approval of the "Change Grantee Contact" GAN (in the case of a new POC), or (2) the date the POC enters information on the new FPOC in GMS (in the case of a new FPOC). Successful completion of such a training on or after January 1, 2018, will satisfy this condition.

A list of OJP trainings that OJP will consider "OJP financial management and grant administration training" for purposes of this condition is available at <https://www.ojp.gov/training/fmts.htm>. All trainings that satisfy this condition include a session on grant fraud prevention and detection.

The recipient should anticipate that OJP will immediately withhold ("freeze") award funds if the recipient fails to comply with this condition. The recipient's failure to comply also may lead OJP to impose additional appropriate conditions on this award.

6. Requirements related to "de minimis" indirect cost rate

A recipient that is eligible under the Part 200 Uniform Requirements and other applicable law to use the "de minimis" indirect cost rate described in 2 C.F.R. 200.414(f), and that elects to use the "de minimis" indirect cost rate, must advise OJP in writing of both its eligibility and its election, and must comply with all associated requirements in the Part 200 Uniform Requirements. The "de minimis" rate may be applied only to modified total direct costs (MTDC) as defined by the Part 200 Uniform Requirements.

7. Requirement to report potentially duplicative funding

If the recipient currently has other active awards of federal funds, or if the recipient receives any other award of federal funds during the period of performance for this award, the recipient promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award. If so, the recipient must promptly notify the DOJ awarding agency (OJP or OVW, as appropriate) in writing of the potential duplication, and, if so requested by the DOJ awarding agency, must seek

EXHIBIT E: 2020 TITLE II AWARD FEDERAL CONDITIONS

a budget-modification or change-of-project-scope grant adjustment notice (GAN) to eliminate any inappropriate duplication of funding.

8. Requirements related to System for Award Management and Universal Identifier Requirements

The recipient must comply with applicable requirements regarding the System for Award Management (SAM), currently accessible at <https://www.sam.gov/>. This includes applicable requirements regarding registration with SAM, as well as maintaining the currency of information in SAM.

The recipient also must comply with applicable restrictions on subawards ("subgrants") to first-tier subrecipients (first-tier "subgrantees"), including restrictions on subawards to entities that do not acquire and provide (to the recipient) the unique entity identifier required for SAM registration.

The details of the recipient's obligations related to SAM and to unique entity identifiers are posted on the OJP web site at <https://ojp.gov/funding/Explore/SAM.htm> (Award condition: System for Award Management (SAM) and Universal Identifier Requirements), and are incorporated by reference here.

This condition does not apply to an award to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).

9. Employment eligibility verification for hiring under the award

1. The recipient (and any subrecipient at any tier) must—

A. Ensure that, as part of the hiring process for any position within the United States that is or will be funded (in whole or in part) with award funds, the recipient (or any subrecipient) properly verifies the employment eligibility of the individual who is being hired, consistent with the provisions of 8 U.S.C. 1324a(a)(1) and (2).

B. Notify all persons associated with the recipient (or any subrecipient) who are or will be involved in activities under this award of both—

(1) this award requirement for verification of employment eligibility, and

(2) the associated provisions in 8 U.S.C. 1324a(a)(1) and (2) that, generally speaking, make it unlawful, in the United States, to hire (or recruit for employment) certain aliens.

C. Provide training (to the extent necessary) to those persons required by this condition to be notified of the award requirement for employment eligibility verification and of the associated provisions of 8 U.S.C. 1324a(a)(1) and (2).

EXHIBIT E: 2020 TITLE II AWARD FEDERAL CONDITIONS

D. As part of the recordkeeping for the award (including pursuant to the Part 200 Uniform Requirements), maintain records of all employment eligibility verifications pertinent to compliance with this award condition in accordance with Form I-9 record retention requirements, as well as records of all pertinent notifications and trainings.

2. Monitoring

The recipient's monitoring responsibilities include monitoring of subrecipient compliance with this condition.

3. Allowable costs

To the extent that such costs are not reimbursed under any other federal program, award funds may be obligated for the reasonable, necessary, and allocable costs (if any) of actions designed to ensure compliance with this condition.

4. Rules of construction

A. Staff involved in the hiring process

For purposes of this condition, persons "who are or will be involved in activities under this award" specifically includes (without limitation) any and all recipient (or any subrecipient) officials or other staff who are or will be involved in the hiring process with respect to a position that is or will be funded (in whole or in part) with award funds.

B. Employment eligibility confirmation with E-Verify

For purposes of satisfying the requirement of this condition regarding verification of employment eligibility, the recipient (or any subrecipient) may choose to participate in, and use, E-Verify (www.e-verify.gov), provided an appropriate person authorized to act on behalf of the recipient (or subrecipient) uses E-Verify (and follows the proper E-Verify procedures, including in the event of a "Tentative Nonconfirmation" or a "Final Nonconfirmation") to confirm employment eligibility for each hiring for a position in the United States that is or will be funded (in whole or in part) with award funds.

C. "United States" specifically includes the District of Columbia, Puerto Rico, Guam, the Virgin Islands of the United States, and the Commonwealth of the Northern Mariana Islands.

D. Nothing in this condition shall be understood to authorize or require any recipient, any subrecipient at any tier, or any person or other entity, to violate any federal law, including any applicable civil rights or nondiscrimination law.

E. Nothing in this condition, including in paragraph 4.B., shall be understood to relieve any recipient, any subrecipient at any tier, or any person or other entity, of any obligation otherwise imposed by law, including 8 U.S.C. 1324a(a)(1) and (2).

EXHIBIT E: 2020 TITLE II AWARD FEDERAL CONDITIONS

Questions about E-Verify should be directed to DHS. For more information about E-Verify visit the E-Verify website (<https://www.e-verify.gov/>) or email E-Verify at E-Verify@dhs.gov. E-Verify employer agents can email EVerify at E-VerifyEmployerAgent@dhs.gov.

Questions about the meaning or scope of this condition should be directed to OJP, before award acceptance.

10. Requirement to report actual or imminent breach of personally identifiable information (PII)

The recipient (and any "subrecipient" at any tier) must have written procedures in place to respond in the event of an actual or imminent "breach" (OMB M-17-12) if it (or a subrecipient) -- (1) creates, collects, uses, processes, stores, maintains, disseminates, discloses, or disposes of "personally identifiable information (PII)" (2 CFR 200.79) within the scope of an OJP grant-funded program or activity, or (2) uses or operates a "Federal information system" (OMB Circular A-130). The recipient's breach procedures must include a requirement to report actual or imminent breach of PII to an OJP Program Manager no later than 24 hours after an occurrence of an actual breach, or the detection of an imminent breach.

11. All subawards ("subgrants") must have specific federal authorization

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements for authorization of any subaward. This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a "subaward" (and therefore does not consider a procurement "contract").

The details of the requirement for authorization of any subaward are posted on the OJP web site at <https://ojp.gov/funding/Explore/SubawardAuthorization.htm> (Award condition: All subawards ("subgrants") must have specific federal authorization), and are incorporated by reference here.

12. Specific post-award approval required to use a noncompetitive approach in any procurement contract that would exceed \$250,000

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements to obtain specific advance approval to use a noncompetitive approach in any procurement contract that would exceed the Simplified Acquisition Threshold (currently, \$250,000). This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a procurement "contract" (and therefore does not consider a subaward).

The details of the requirement for advance approval to use a noncompetitive approach in a procurement contract under an OJP award are posted on the OJP web site at <https://ojp.gov/funding/Explore/NoncompetitiveProcurement.htm> (Award condition:

EXHIBIT E: 2020 TITLE II AWARD FEDERAL CONDITIONS

Specific post-award approval required to use a noncompetitive approach in a procurement contract (if contract would exceed \$250,000)), and are incorporated by reference here.

13. Unreasonable restrictions on competition under the award; association with federal government

SCOPE. This condition applies with respect to any procurement of property or services that is funded (in whole or in part) by this award, whether by the recipient or by any subrecipient at any tier, and regardless of the dollar amount of the purchase or acquisition, the method of procurement, or the nature of any legal instrument used. The provisions of this condition must be among those included in any subaward (at any tier).

1. No discrimination, in procurement transactions, against associates of the federal government

Consistent with the (DOJ) Part 200 Uniform Requirements -- including as set out at 2 C.F.R. 200.300 (requiring awards to be "manage[d] and administer[ed] in a manner so as to ensure that Federal funding is expended and associated programs are implemented in full accordance with U.S. statutory and public policy requirements") and 200.319(a) (generally requiring "[a]ll procurement transactions [to] be conducted in a manner providing full and open competition" and forbidding practices "restrictive of competition," such as "[p]lacing unreasonable requirements on firms in order for them to qualify to do business" and taking "[a]ny arbitrary action in the procurement process") -- no recipient (or subrecipient, at any tier) may (in any procurement transaction) discriminate against any person or entity on the basis of such person or entity's status as an "associate of the federal government" (or on the basis of such person or entity's status as a parent, affiliate, or subsidiary of such an associate), except as expressly set out in 2 C.F.R. 200.319(a) or as specifically authorized by USDOJ.

2. Monitoring

The recipient's monitoring responsibilities include monitoring of subrecipient compliance with this condition.

3. Allowable costs

To the extent that such costs are not reimbursed under any other federal program, award funds may be obligated for the reasonable, necessary, and allocable costs (if any) of actions designed to ensure compliance with this condition.

4. Rules of construction

A. The term "associate of the federal government" means any person or entity engaged or employed (in the past or at present) by or on behalf of the federal government -- as an employee, contractor or subcontractor (at any tier), grant recipient or -subrecipient (at any tier), agent, or otherwise -- in undertaking any work, project, or activity for or on behalf of

EXHIBIT E: 2020 TITLE II AWARD FEDERAL CONDITIONS

(or in providing goods or services to or on behalf of) the federal government, and includes any applicant for such employment or engagement, and any person or entity committed by legal instrument to undertake any such work, project, or activity (or to provide such goods or services) in future.

B. Nothing in this condition shall be understood to authorize or require any recipient, any subrecipient at any tier, or any person or other entity, to violate any federal law, including any applicable civil rights or nondiscrimination law.

14. Requirements pertaining to prohibited conduct related to trafficking in persons (including reporting requirements and OJP authority to terminate award)

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements (including requirements to report allegations) pertaining to prohibited conduct related to the trafficking of persons, whether on the part of recipients, subrecipients ("subgrantees"), or individuals defined (for purposes of this condition) as "employees" of the recipient or of any subrecipient.

The details of the recipient's obligations related to prohibited conduct related to trafficking in persons are posted on the OJP web site at <https://ojp.gov/funding/Explore/ProhibitedConduct-Trafficking.htm> (Award condition: Prohibited conduct by recipients and subrecipients related to trafficking in persons (including reporting requirements and OJP authority to terminate award)), and are incorporated by reference here.

15. Compliance with applicable rules regarding approval, planning, and reporting of conferences, meetings, trainings, and other events

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable laws, regulations, policies, and official DOJ guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (as that term is defined by DOJ), including the provision of food and/or beverages at such conferences, and costs of attendance at such conferences.

Information on the pertinent DOJ definition of conferences and the rules applicable to this award appears in the DOJ Grants Financial Guide (currently, as section 3.10 of "Post award Requirements" in the "DOJ Grants Financial Guide").

16. Requirement for data on performance and effectiveness under the award

The recipient must collect and maintain data that measure the performance and effectiveness of work under this award. The data must be provided to OJP in the manner (including within the timeframes) specified by OJP in the program solicitation or other applicable written guidance. Data collection supports compliance with the Government Performance and Results Act (GPRA) and the GPRA Modernization Act of 2010, and other applicable laws.

EXHIBIT E: 2020 TITLE II AWARD FEDERAL CONDITIONS

17. OJP Training Guiding Principles

Any training or training materials that the recipient -- or any subrecipient ("subgrantee") at any tier -- develops or delivers with OJP award funds must adhere to the OJP Training Guiding Principles for Grantees and Subgrantees, available at <https://ojp.gov/funding/Implement/TrainingPrinciplesForGrantees-Subgrantees.htm>.

18. Effect of failure to address audit issues

The recipient understands and agrees that the DOJ awarding agency (OJP or OVW, as appropriate) may withhold award funds, or may impose other related requirements, if (as determined by the DOJ awarding agency) the recipient does not satisfactorily and promptly address outstanding issues from audits required by the Part 200 Uniform Requirements (or by the terms of this award), or other outstanding issues that arise in connection with audits, investigations, or reviews of DOJ awards.

19. Potential imposition of additional requirements

The recipient agrees to comply with any additional requirements that may be imposed by the DOJ awarding agency (OJP or OVW, as appropriate) during the period of performance for this award, if the recipient is designated as "highrisk" for purposes of the DOJ high-risk grantee list.

20. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 42

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 42, specifically including any applicable requirements in Subpart E of 28 C.F.R. Part 42 that relate to an equal employment opportunity program.

21. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 54

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 54, which relates to nondiscrimination on the basis of sex in certain "education programs."

22. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 38

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 38 (as may be applicable from time to time), specifically including any applicable requirements regarding written notice to program beneficiaries and prospective program beneficiaries.

EXHIBIT E: 2020 TITLE II AWARD FEDERAL CONDITIONS

Currently, among other things, 28 C.F.R. Part 38 includes rules that prohibit specific forms of discrimination on the basis of religion, a religious belief, a refusal to hold a religious belief, or refusal to attend or participate in a religious practice. Part 38, currently, also sets out rules and requirements that pertain to recipient and subrecipient ("subgrantee") organizations that engage in or conduct explicitly religious activities, as well as rules and requirements that pertain to recipients and subrecipients that are faith-based or religious organizations.

The text of 28 C.F.R. Part 38 is available via the Electronic Code of Federal Regulations (currently accessible at <https://www.ecfr.gov/cgi-bin/ECFR?page=browse>), by browsing to Title 28-Judicial Administration, Chapter 1, Part 38, under e-CFR "current" data.

23. Restrictions on "lobbying"

In general, as a matter of federal law, federal funds awarded by OJP may not be used by the recipient, or any subrecipient ("subgrantee") at any tier, either directly or indirectly, to support or oppose the enactment, repeal, modification, or adoption of any law, regulation, or policy, at any level of government. See 18 U.S.C. 1913. (There may be exceptions if an applicable federal statute specifically authorizes certain activities that otherwise would be barred by law.)

Another federal law generally prohibits federal funds awarded by OJP from being used by the recipient, or any subrecipient at any tier, to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by a recipient (or subrecipient) would or might fall within the scope of these prohibitions, the recipient is to contact OJP for guidance, and may not proceed without the express prior written approval of OJP.

24. Compliance with general appropriations-law restrictions on the use of federal funds (FY 2020) The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. Pertinent restrictions that may be set out in applicable appropriations acts are indicated at <https://ojp.gov/funding/Explore/FY20AppropriationsRestrictions.htm>, and are incorporated by reference here. Should a question arise as to whether a particular use of federal funds by a recipient (or a subrecipient) would or might fall within the scope of an appropriations-law restriction, the recipient is to contact OJP for guidance, and may not proceed without the express prior written approval of OJP.

25. Reporting potential fraud, waste, and abuse, and similar misconduct

EXHIBIT E: 2020 TITLE II AWARD FEDERAL CONDITIONS

The recipient, and any subrecipients ("subgrantees") at any tier, must promptly refer to the DOJ Office of the Inspector General (OIG) any credible evidence that a principal, employee, agent, subrecipient, contractor, subcontractor, or other person has, in connection with funds under this award-- (1) submitted a claim that violates the False Claims Act; or (2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct.

Potential fraud, waste, abuse, or misconduct involving or relating to funds under this award should be reported to the OIG by--(1) online submission accessible via the OIG webpage at <https://oig.justice.gov/hotline/contact-grants.htm> (select "Submit Report Online"); (2) mail directed to: U.S. Department of Justice, Office of the Inspector General, Investigations Division, ATTN: Grantee Reporting, 950 Pennsylvania Ave., NW, Washington, DC 20530; and/or (3) by facsimile directed to the DOJ OIG Investigations Division (Attn: Grantee Reporting) at (202) 616-9881 (fax).

Additional information is available from the DOJ OIG website at <https://oig.justice.gov/hotline>.

26. Restrictions and certifications regarding non-disclosure agreements and related matters

No recipient or subrecipient ("subgrantee") under this award, or entity that receives a procurement contract or subcontract with any funds under this award, may require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in accordance with law) of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information.

The foregoing is not intended, and shall not be understood by the agency making this award, to contravene requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

1. In accepting this award, the recipient--

a. represents that it neither requires nor has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and

b. certifies that, if it learns or is notified that it is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

EXHIBIT E: 2020 TITLE II AWARD FEDERAL CONDITIONS

2. If the recipient does or is authorized under this award to make subawards ("subgrants"), procurement contracts, or both—

a. it represents that--

(1) it has determined that no other entity that the recipient's application proposes may or will receive award funds (whether through a subaward ("subgrant"), procurement contract, or subcontract under a procurement contract) either requires or has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and

(2) it has made appropriate inquiry, or otherwise has an adequate factual basis, to support this representation; and

b. it certifies that, if it learns or is notified that any subrecipient, contractor, or subcontractor entity that receives funds under this award is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds to or by that entity, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

27. Compliance with 41 U.S.C. 4712 (including prohibitions on reprisal; notice to employees)

The recipient (and any subrecipient at any tier) must comply with, and is subject to, all applicable provisions of 41 U.S.C. 4712, including all applicable provisions that prohibit, under specified circumstances, discrimination against an employee as reprisal for the employee's disclosure of information related to gross mismanagement of a federal grant, a gross waste of federal funds, an abuse of authority relating to a federal grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a federal grant.

The recipient also must inform its employees, in writing (and in the predominant native language of the workforce), of employee rights and remedies under 41 U.S.C. 4712.

Should a question arise as to the applicability of the provisions of 41 U.S.C. 4712 to this award, the recipient is to contact the DOJ awarding agency (OJP or OVW, as appropriate) for guidance.

28. Encouragement of policies to ban text messaging while driving

Pursuant to Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," 74 Fed. Reg. 51225 (October 1, 2009), DOJ encourages recipients and subrecipients ("subgrantees") to adopt and enforce policies banning employees from text

EXHIBIT E: 2020 TITLE II AWARD FEDERAL CONDITIONS

messaging while driving any vehicle during the course of performing work funded by this award, and to establish workplace safety policies and conduct education, awareness, and other outreach to decrease crashes caused by distracted drivers.

29. Requirement to disclose whether recipient is designated "high risk" by a federal grant-making agency outside of DOJ

If the recipient is designated "high risk" by a federal grant-making agency outside of DOJ, currently or at any time during the course of the period of performance under this award, the recipient must disclose that fact and certain related information to OJP by email at OJP.ComplianceReporting@ojp.usdoj.gov. For purposes of this disclosure, high risk includes any status under which a federal awarding agency provides additional oversight due to the recipient's past performance, or other programmatic or financial concerns with the recipient. The recipient's disclosure must include the following: 1. The federal awarding agency that currently designates the recipient high risk, 2. The date the recipient was designated high risk, 3. The high-risk point of contact at that federal awarding agency (name, phone number, and email address), and 4. The reasons for the high-risk status, as set out by the federal awarding agency.

30. The recipient agrees that, consistent with applicable State law, staff directly associated with administration of the OJJDP Formula Grants Program will attend and participate in conferences, workshops, training sessions and other national or regional meetings deemed by OJJDP to be critical to the administration of this Program. OJJDP will determine which staff and the number of staff that should attend each meeting, consistent with the scope and subject matter of the meeting. Cost of attendance will be borne by the recipient as an administrative cost to the grant or paid from State Advisory Group set aside funds under Section 222(d), as appropriate.
31. The recipient agrees that, as required by federal law (31 U.S.C. 1301(a)), the funds allocated to support its State Advisory Group (SAG) pursuant to 34 U.S.C. 11132(d) must be expended in a manner consistent with the purposes set forth at 34 U.S.C. 11133(a)(3)(B), (C), and (D). If the recipient's SAG chooses to use a portion of its limited formula grant set-aside for organizational membership fees, such costs are only allowable if those costs meet the requirements of 2 C.F.R. 200.454. The use of federal funds for 1) cash or in-kind contributions, 2) donations, or 3) payment of membership fees in organizations substantially engaged in lobbying, is specifically prohibited by 2 C.F.R. 434 and 454.
32. Pursuant to Section 223(a)(3)(A)(iii) of the Juvenile Justice and Delinquency Prevention Act of 1974, as amended (34 U.S.C. § 11101, et seq.), the chairperson of the State Advisory Group cannot be a full-time employee of the Federal, State, or local government. This prohibition applies also to an Acting Chair, or other person assuming the duties and responsibilities of the Chair, whether permanently or on a temporary basis.
33. The recipient agrees that it will submit quarterly financial status reports to OJP on-line (at <https://grants.ojp.usdoj.gov>) using the SF 425 Federal Financial Report form (available for viewing at <https://www.gsa.gov/forms-library/federalfinancial-report>), not later than 30

EXHIBIT E: 2020 TITLE II AWARD FEDERAL CONDITIONS

days after the end of each calendar quarter. The final report shall be submitted not later than 90 days following the end of the award period.

34. FFATA reporting: Subawards and executive compensation

The recipient must comply with applicable requirements to report first-tier subawards ("subgrants") of \$25,000 or more and, in certain circumstances, to report the names and total compensation of the five most highly compensated executives of the recipient and first-tier subrecipients (first-tier "subgrantees") of award funds. The details of recipient obligations, which derive from the Federal Funding Accountability and Transparency Act of 2006 (FFATA), are posted on the OJP web site at <https://ojp.gov/funding/Explore/FFATA.htm> (Award condition: Reporting Subawards and Executive Compensation), and are incorporated by reference here.

This condition, including its reporting requirement, does not apply to-- (1) an award of less than \$25,000, or (2) an award made to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).

35. Authority to obligate award funds contingent on noninterference (within the funded "program or activity") with federal law enforcement: information-communication restrictions; unallowable costs; notification

1. If the recipient is a "State," a local government, or a "public" institution of higher education:

A. The recipient may not obligate award funds if, at the time of the obligation, the "program or activity" of the recipient (or of any subrecipient at any tier that is a State, a local government, or a public institution of higher education) that is funded wholly or partly with award funds is subject to any "information-communication restriction."

B. Also, with respect to any project costs it incurs "at risk," the recipient may not obligate award funds to reimburse itself if -- at the time it incurs such costs -- the program or activity of the recipient (or of any subrecipient, at any tier, described in par. 1.A of this condition) that would be reimbursed wholly or partly with award funds was subject to any information-communication restriction.

C. Any drawdown of award funds by the recipient shall be considered, for all purposes, to be a material representation by the recipient to OJP that, as of the date the recipient requests the drawdown, the recipient and each subrecipient (regardless of tier) described in par. 1.A of this condition, is in compliance with the award condition entitled "Noninterference (within the funded 'program or activity') with federal law enforcement: information-communication restrictions; ongoing compliance."

D. The recipient must promptly notify OJP (in writing) if the recipient, from its requisite monitoring of compliance with award conditions or otherwise, has credible evidence that indicates that the funded program or activity of the recipient, or of any subrecipient (at

EXHIBIT E: 2020 TITLE II AWARD FEDERAL CONDITIONS

any tier) described in par. 1.A of this condition, may be subject to any information-communication restriction. Also, any subaward (at any tier) to a subrecipient described in paragraph 1.A of this condition must require prompt notification to the entity that made the subaward, should the subrecipient have such credible evidence regarding an information-communication restriction.

2. Any subaward (at any tier) to a subrecipient described in par. 1.A of this condition must provide that the subrecipient may not obligate award funds if, at the time of the obligation, the program or activity of the subrecipient (or of any further such subrecipient at any tier) that is funded in whole or in part with award funds is subject to any information-communication restriction.

3. Absent an express written determination by DOJ to the contrary, based upon a finding by DOJ of compelling circumstances (e.g., a small amount of award funds obligated by the recipient at the time of a subrecipient's minor and transitory non-compliance, which was unknown to the recipient despite diligent monitoring), any obligations of award funds that, under this condition, may not be made shall be unallowable costs for purposes of this award. In making any such determination, DOJ will give great weight to evidence submitted by the recipient that demonstrates diligent monitoring of subrecipient compliance with the requirements set out in the "Noninterference ... information-communication restrictions; ongoing compliance" award condition.

4. Rules of Construction

A. For purposes of this condition "information-communication restriction" has the meaning set out in the "Noninterference ... information-communication restrictions; ongoing compliance" condition.

B. Both the "Rules of Construction" and the "Important Note" set out in the "Noninterference ... information-communication restrictions; ongoing compliance" condition are incorporated by reference as though set forth here in full.

36. Authority to obligate award funds contingent on no use of funds to interfere with federal law enforcement: information-communication restrictions; unallowable costs; notification

1. If the recipient is a "State," a local government, or a "public" institution of higher education:

A. The recipient may not obligate award funds if, at the time of the obligation, the "program or activity" of the recipient (or of any subrecipient at any tier that is a State, a local government, or a public institution of higher education) that is funded in whole or in part with award funds is subject to any "information-communication restriction."

B. In addition, with respect to any project costs it incurs "at risk," the recipient may not obligate award funds to reimburse itself if -- at the time it incurs such costs -- the program or activity of the recipient (or of any subrecipient, at any tier, described in paragraph 1.A

EXHIBIT E: 2020 TITLE II AWARD FEDERAL CONDITIONS

of this condition) that would be reimbursed in whole or in part with award funds was subject to any information-communication restriction.

C. Any drawdown of award funds by the recipient shall be considered, for all purposes, to be a material representation by the recipient to OJP that, as of the date the recipient requests the drawdown, the recipient and each subrecipient (regardless of tier) described in paragraph 1.A of this condition, is in compliance with the award condition entitled "No use of funds to interfere with federal law enforcement: information-communication restrictions; ongoing compliance."

D. The recipient must promptly notify OJP (in writing) if the recipient, from its requisite monitoring of compliance with award conditions or otherwise, has credible evidence that indicates that the funded program or activity of the recipient, or of any subrecipient (at any tier) described in paragraph 1.A of this condition, may be subject to any information-communication restriction. In addition, any subaward (at any tier) to a subrecipient described in paragraph 1.A of this condition must require prompt notification to the entity that made the subaward, should the subrecipient have such credible evidence regarding an information-communication restriction.

2. Any subaward (at any tier) to a subrecipient described in paragraph 1.A of this condition must provide that the subrecipient may not obligate award funds if, at the time of the obligation, the program or activity of the subrecipient (or of any further such subrecipient at any tier) that is funded in whole or in part with award funds is subject to any information-communication restriction.

3. Absent an express written determination by DOJ to the contrary, based upon a finding by DOJ of compelling circumstances (e.g., a small amount of award funds obligated by the recipient at the time of a subrecipient's minor and transitory non-compliance, which was unknown to the recipient despite diligent monitoring), any obligations of award funds that, under this condition, may not be made shall be unallowable costs for purposes of this award. In making any such determination, DOJ will give great weight to evidence submitted by the recipient that demonstrates diligent monitoring of subrecipient compliance with the requirements set out in the "No use of funds to interfere ...information-communication restrictions; ongoing compliance" award condition.

4. Rules of Construction

A. For purposes of this condition "information-communication restriction" has the meaning set out in the "No use of funds to interfere ... information-communication restrictions; ongoing compliance" condition.

B. Both the "Rules of Construction" and the "Important Note" set out in the "No use of funds to interfere ...information-communication restrictions; ongoing compliance" condition are incorporated by reference as though set forth here in full.

37. Noninterference (within the funded "program or activity") with federal law enforcement: information-communication restrictions; ongoing compliance

EXHIBIT E: 2020 TITLE II AWARD FEDERAL CONDITIONS

1. With respect to the "program or activity" funded in whole or part under this award (including any such program or activity of any subrecipient at any tier), throughout the period of performance, no State or local government entity, - agency, or -official may prohibit or in any way restrict-- (1) any government entity or -official from sending or receiving information regarding citizenship or immigration status to/from DHS; or (2) a government entity or -agency from sending, requesting or receiving, or exchanging information regarding immigration status to/from/with DHS, or from maintaining such information. 3. Allowable costs. Compliance with these requirements is an authorized and priority purpose of this award. To the extent that such costs are not reimbursed under any other federal program, award funds may be obligated for the reasonable, necessary, and allocable costs (if any) that the recipient, or any subrecipient at any tier that is a State, a local government, or a public institution of higher education, incurs to implement this condition.

4. Rules of Construction

A. For purposes of this condition:

(5) "DHS" means the U.S. Department of Homeland Security.

B. Nothing in this condition shall be understood to authorize or require any recipient, any subrecipient at any tier, any State or local government, any public institution of higher education, or any other entity (or individual) to violate any federal law, including any applicable civil rights or nondiscrimination law.

EXHIBIT E: 2020 TITLE II AWARD FEDERAL CONDITIONS

38. No use of funds to interfere with federal law enforcement: information-communication restrictions; ongoing compliance

1. Throughout the period of performance, no State or local government entity, -agency, or -official may use funds under this award (including under any subaward, at any tier) to prohibit or in any way restrict-- (1) any government entity or -official from sending or receiving information regarding citizenship or immigration status to/from DHS; or

(2) a government entity or -agency from sending, requesting or receiving, or exchanging information regarding immigration status to/from/with DHS, or from maintaining such information. Any prohibition (or restriction) that violates this condition is an "information-communication restriction" under this award.

2. The recipient's monitoring responsibilities include monitoring of subrecipient compliance with the requirements of this condition.

3. Allowable costs. Compliance with these requirements is an authorized and priority purpose of this award. To the extent that such costs are not reimbursed under any other federal program, award funds may be obligated for the reasonable, necessary, and allocable costs (if any) that the recipient, or any subrecipient at any tier that is a State, a local government, or a public institution of higher education, incurs to implement this condition.

4. Rules of Construction

42. The recipient may not obligate, expend, or draw down funds until the recipient has submitted a revised budget and budget narrative reflecting the total amount of this award, and a Grant Adjustment Notice has been issued to remove this special condition.
43. Recipient integrity and performance matters: Requirement to report information on certain civil, criminal, and administrative proceedings to SAM and FAPIIS

The recipient must comply with any and all applicable requirements regarding reporting of information on civil, criminal, and administrative proceedings connected with (or connected to the performance of) either this OJP award or any other grant, cooperative agreement, or procurement contract from the federal government. Under certain circumstances, recipients of OJP awards are required to report information about such proceedings, through the federal System for Award Management (known as "SAM"), to the designated federal integrity and performance system (currently, "FAPIIS").

SECTION 4: (SAMPLE) Data Collection

The Federal Government and the BSCC are dedicated to assessing the impact of local projects on the youth directly served by the OJJDP Title II Formula Grant funding. Request for Proposal (RFP) applicants will need to have the capacity, and be prepared, to collect and provide specific outcome measures by race/ethnicity and gender on a quarterly basis via BSCC Progress Reports, if awarded grant dollars.

Data measures will be collected on a short term (measured quarterly- prior to the time youth leave or complete the project) and long term (measured within 6-12 months after a youth leaves or completes the project). The following list contains sample data measures for the six Title II Program Purpose Areas:

Project Youth Demographics:

- Gender (male; female)
- Offender Status (at-risk population- no prior offense; first-time offenders; repeat offenders; sex offenders; status offenders; violent offenders)
- Age (Under 11; 12-13; 14-15; 16-17; 18 and over)
- Other factors (mental health; pregnant; substance abuse; truant/dropout)
- Project cost per youth

Project Assessment:

- Number of project youth served.
- Number and percent of program youth who offend or reoffend.
- Number and percent of program youth completing program requirements.
- Number and percent of program youth exhibiting a desired change in targeted behaviors: substance abuse; school attendance; gangs; employment status.
- Number and percent of program youth charged with formal probation violations.
- Number and percent of program youth committed to a detention facility.
- Average length of time between intake and referral for program youth.
- Number and percent of program youth who are re-victimized.
- Number and percent of families/youth/victims/staff satisfied with the project.

If applicable, data measures may also be collected that are mandated by the Office of Juvenile Justice and Delinquency Prevention under the Native American/Tribal program purpose area.

Appendix L: Certification of Compliance with BSCC Policies Regarding Debarment, Fraud, Theft, and Embezzlement

It is the policy of the BSCC to protect grant funds from unreasonable risks of fraudulent, criminal, or other improper use. As such, the Board will not enter into contracts or provide reimbursement to applicants that have been:

1. debarred by any federal, state, or local government entities during the period of debarment; or
2. convicted of fraud, theft, or embezzlement of federal, state, or local government grant funds for a period of three years following conviction.

Furthermore, the BSCC requires grant recipients to provide an assurance that there has been no applicable debarment, disqualification, suspension, or removal from a federal, state or local grant program on the part of the grantee at the time of application and that the grantee will immediately notify the BSCC should such debarment or conviction occur during the term of the Grant contract.

BSCC also requires that all grant recipients include, as a condition of award to a subgrantee or subcontractor, a requirement that the subgrantee or subcontractor will provide the same assurances to the grant recipient. If a grant recipient wishes to consider a subgrantee or subcontractor that has been debarred or convicted, the grant recipient must submit a written request for exception to the BSCC along with supporting documentation.

By checking the following boxes and signing below, applicant affirms that:

☐ I/We are not currently debarred by any federal, state, or local entity from applying for or receiving federal, state, or local grant funds.

☐ I/We have not been convicted of any crime involving theft, fraud, or embezzlement of federal, state, or local grant funds within the last three (3) years. We will notify the BSCC as soon as possible, should such debarment or conviction occur during the term of the Grant contract.

☐ I/We will hold subgrantees and subcontractors to these same requirements.

A grantee may make a request in writing to the Executive Director of the BSCC for an exception to the debarment policy. Any determination made by the Executive Director shall be made in writing.

Title II Grant Program Work Plan

Each applicant must address the goals and objectives for each chosen Program Purpose Area (PPA). Applicants for Title II Grant funds must complete a Project Work Plan for each PPA. The work plan for each PPA may not exceed two pages.

Note: Work Plans exceeding the page limit shall not automatically be disqualified. However, BSCC staff shall remove ALL pages in excess of the page limit before forwarding the proposal to the ESC for rating, which may negatively impact a proposal's score. If line spacing, formatting, or font size results in the inclusion of additional content in excess of prescribed page limits, excess pages shall be removed, or the proposal may be disqualified. Illegible or unreadable proposals shall be disqualified.

Completed Project Work Plans should (1) identify the top three project goal(s) and objectives; (2) identify how the goal(s) will be achieved in terms of the activities, responsible staff/partners, start and end dates, and outcome measures; and (3) provide goal(s), objectives, and measures with a clear relationship to the need and intent of the grant.
