Instructions

Record the facility total population as of 12:01 a.m. of each day in the Total Population column. Record the number of occupied beds over the rated capacity for each day in the Total over Rated Capacity column.

Example: Total Population is 62; Rated Capacity is 60.

Total over Rated Capacity is 2.

Allocations are distributed based on total bed space occupied, not to exceed rated capacity. The Board of State and Community Corrections determines the rated capacity. If your facility bed space is increased during a month, indicate which date the rated capacity increase was approved.

The completed form should be sent by the 10th of the month following the reporting period.

Send completed forms to:
