**Summary:**

Current law prohibits committing a battery upon another person. Violation of this prohibition is punishable as a misdemeanor or felony, depending on the extent of injury. Under existing law, there is a penalty enhancement for a battery committed against a peace officer who is engaged in the performance of his or her duties. Current law defines "hate crime" as a criminal act committed, in whole or in part, because of actual or perceived characteristics of the victim, including, among other things, race, religion, disability, and sexual orientation. This bill would make any criminal act, except the crime of resisting, delaying, or obstructing an officer, committed in whole or in part because of the victim's status as a peace officer, as defined, a hate crime.

**Summary:**

Current law requires the transfer of a firearm to be made through a licensed dealer, except as specifically exempted. Existing law prohibits the sale or transfer of a handgun, except as specifically exempted, to any person below the age of 21 years. Current law also prohibits the sale or transfer of a firearm, other than a handgun, except as specifically exempted, to any person below the age of 18 years. SB 421 establishes a process by which a Tier 1 or Tier 2 registrant may, at the expiration of the registration term, petition the Superior Court for relief from registration and removal from the state registry. The bill sets out the evidentiary and other criteria the court must follow in determining whether the individual qualifies for the requested relief. Provides for situations in which a Tier 3 lifetime registrant may petition the court to be moved to Tier 2. Makes other changes affecting the information that can be made public for registrants in each tier. The California Public Records Act requires that public records, as defined, be available to the public for inspection and made promptly available to any person. Current law makes records of investigations conducted by any state or local police agency exempt from these requirements. Current law requires specified information regarding the investigation of crimes to be disclosed to the public unless disclosure would endanger the safety of a person involved in an investigation or would endanger the successful completion of the investigation. This bill would, notwithstanding the above provisions, allow a video or audio recording that relates to a matter of public concern because it depicts an incident involving a peace officer's use of force, or is reasonably believed to involve a violation of law or agency policy by a peace officer, to be withheld for a maximum of 120 calendar days if disclosure would substantially impede an active investigation.

**Summary:**

Under the state's Continuum of Care Reform (CCR), as embodied in AB 403 (2015) and subsequent bills, children's group homes are being phased out and replaced with alternative placements for foster youth including those under probation supervision. The previous array of children's group homes (14 different levels of care and state reimbursement rates) is collapsed under CCR into a single high-end care facility known as a Short Term Residential Treatment Program or "STRTP". This bill requires licensed foster care facilities including STRTPs to provide data to the state Department of Social Services including a daily census of available beds and a listing of the services that are provided by the facility. It also requires the facilities to track and report changes in placement by reasons such as lack of health or education services or services for special population including LGBT and transgender youth. Additionally, the bill requires the state Dept. of Social Services (CDSS) to create and maintain a data base on its website allowing county children welfare and probation departments to access the information for the purpose of placing children in foster care and to publish the change of placement information.
