SUBJECT: Senate Bill 81 Round 2 (Local Youthful Offender Rehabilitation Facilities Construction Program) San Diego County Relinquishment: **Requesting Approval.**

Summary

San Diego County has formally relinquished its \$4,500,000 Senate Bill 81 (SB 81) Round 2 Local Youthful Offender Rehabilitation Facilities (LYORF) Construction Program funding award. This agenda item requests that the Board of State and Community Corrections acknowledge and accept this relinquishment.

Background

SB 81 Round 1 (Chapter 175, Statutes of 2007) authorized \$100,000,000 in state lease-revenue bond financing for the acquisition, design, renovation, and construction of LYORFs; Assembly Bill 1628 (Chapter 729, Statutes of 2010) added another \$200,000,000 in financing. Conditional awards were made to 13 counties under the SB 81 Round 1 LYORF Construction Financing Program; two projects have been completed and several are active in the State Public Works Board process.

After the Round 1 financing was conditionally awarded, \$79,201,455 in state lease-revenue bond financing remained unallocated. SB 365 (Chapter 627, Statutes of 2013) authorized the BSCC to release the remainder in lease-revenue bond financing under the SB 81 Round 2 program.

At the April 9, 2015 Board meeting, the Board awarded a conditional award to San Diego County of \$4,500,000 in SB 81 Round 2 LYORF financing (Attachment C-1) based on the county's proposal submitted December 19, 2014.

On April 17, 2017 San Diego County, citing unanticipated challenges associated with the location and design, as well as long-term strategic planning, provided formal notice to the BSCC that it is declining its conditional award (Attachment C-2).

There are no other counties eligible to receive additional funding through the Senate Bill 81 Local Youthful Offender Rehabilitation Facilities Construction Program.

Recommendation/Action Needed

1. Staff recommends the Board acknowledge that San Diego County has declined its Senate Bill 81 Local Youthful Offender Rehabilitation Facilities Construction Program funding award.
