

Board of State and Community Corrections (BSCC) Strategic Planning Process for 2022-2026

Step 1: Goals

Where do we want to go?

Current Goals

Goal 1: Decision Making

- Make and carry out operational/operations decisions fairly, inclusively and transparently

Goal 2: Programs, Training, and Technical Assistance

- Support practices and policies shown to reduce recidivism and improve justice system outcomes for individuals and families

Goal 3: Facilities and Alternatives to Incarceration

- Maximize successful re-entry and public safety by promoting the use of alternatives to incarceration and local adult and juvenile detention facilities

Goal 4: Data Collection and Reporting

- Analyze and provide justice system data that inform effective policy and practice decisions

Questions Considered

When reviewing each current goal, the BSCC staff and management team considered four key questions...

- Is this goal still relevant?
- Should this goal be modified or expanded?
- What are the current events and/or issues related to this goal?
- What are the possible changes needed for this goal to be relevant/applicable to the current responsibilities and authority of the BSCC?

Recommendations – Goal 2

Current

Goal 2: Programs, Training, and Technical Assistance

- Support practices and policies shown to reduce recidivism and improve justice system outcomes for individuals and families

Recommended Updates

Goal 2: Programs, Training, and Technical Assistance

- ~~Support practices and policies shown to~~ **Align BSCC programs and responsibilities to support innovation**, reduce recidivism, and improve ~~justice system~~ outcomes for individuals and families

Key Questions to Consider

- Is this goal still relevant?
- Should this goal be modified or expanded?
 - This goal is quite aspirational
 - How can we rephrase to align with BSCC functions better?
 - The phrase “reduce recidivism” – still needed? Should we have additional sub-goals in the goal statement?
- What are the current events and/or issues related to this goal?
 - Transition of juvenile justice-related grants to Office of Youth and Community Restoration (OYCR)
- What are the possible changes needed for this goal to be relevant/applicable to the responsibilities and current authority of the BSCC?

Recommendations – Goal 3

Current

Goal 3: Facilities and Alternatives to Incarceration

- Maximize successful re-entry and public safety by promoting the use of alternatives to incarceration and local adult and juvenile detention facilities

Recommended Updates

Goal 3: Facilities and Re-entry Services ~~Alternatives to Incarceration~~

- Provide increased accountability and transparency regarding jail inspections and improve access to re-entry resources in county facilities. ~~Maximize successful re-entry and public safety by promoting the effective use of alternatives to incarceration and local adult and juvenile detention facilities~~

Key Questions to Consider

- Is this goal still relevant?
- Should this goal be modified or expanded?
- What are the current events and/or issues related to this goal?
- What are the possible changes needed for this goal to be relevant/applicable to the responsibilities and authority of the BSCC?
 - Prior versions of the Strategic Plan focused on implementation of Public Safety Realignment
 - Should it focus more on safety in facilities and re-entry planning and not as much on alternatives to incarceration, which is very important, but not directly related to the BSCC responsibilities?
