Summary:

Current law prohibits committing a battery upon another person. Violation of this prohibition is punishable as a misdemeanor or felony, depending on the extent of injury. Under existing law, there is a penalty enhancement for a battery committed against a peace officer who is engaged in the performance of his or her duties. Current law defines "hate crime" as a criminal act committed, in whole or in part, because of actual or perceived characteristics of the victim, including, among other things, race, religion, disability, and sexual orientation. This bill would make any criminal act, except the crime of resisting, delaying, or obstructing an officer, committed in whole or in part because of the victim's status as a peace officer, as defined, a hate crime.
