## **YPFG Application Narrative**

### **Section 1: Transportation Need**

1.1:

As a result of the closure of the Division of Juvenile Justice (DJJ), the Mariposa Probation Department is in need of a safe and secure transportation vehicle for transporting youth that need to be detained in a juvenile facility.

The Mariposa County Juvenile Hall is a special purpose 96-hour detention facility for male and female youth arrested in Mariposa County. Youth who require detention beyond 96-hours are transported to a contracted full service juvenile hall in outlining counties. Current juvenile hall contract counties include Tuolumne, Madera, and Kern. The minimum roundtrip commute to transport a youth to a contracted juvenile hall is 120 miles and the longest is 370 miles.

1.2:

Without a full service juvenile hall in county, any DJJ commitment will require numerous transports to and from contract facilities, court, and other appointments for a number of years.

### **Section 2: Transportation Description**

2.1:

Mariposa Probation staff currently transport youth to contract facilities in a 2006 Ford Econoline Van (15 years old). The van is not equipped with updated safety features such as emergency lights or radio.

2.2:

The improvement of the transportation is necessary to provide safe and secure transportation of youth and staff to and from contract juvenile detention facilities. The current transport vehicle is aging and not equipped with necessary safety features.

### **Section 3: Budget**

## Appendix D: Certification of Compliance with BSCC Policies on Debarment, Fraud, Theft and Embezzlement

It is the policy of the BSCC to protect grant funds from unreasonable risks of fraudulent, criminal, or other improper use. As such, the Board will not enter into contracts or provide reimbursement to applicants that have been:

1. debarred by any federal, state, or local government entities during the period of debarment; or
2. convicted of fraud, theft, or embezzlement of federal, state, or local government grant funds for a period of three years following conviction.

Furthermore, the BSCC requires grant recipients to provide an assurance that there has been no applicable debarment, disqualification, suspension, or removal from a federal, state or local grant program on the part of the grantee at the time of application and that the grantee will immediately notify the BSCC should such debarment or conviction occur during the term of the Grant contract.

BSCC also requires that all grant recipients include, as a condition of award to a subgrantee or subcontractor, a requirement that the subgrantee or subcontractor will provide the same assurances to the grant recipient. If a grant recipient wishes to consider a subgrantee or subcontractor that has been debarred or convicted, the grant recipient must submit a written request for exception to the BSCC along with supporting documentation.

By checking the following boxes and signing below, applicant affirms that:

- I/We are not currently debarred by any federal, state, or local entity from applying for or receiving federal, state, or local grant funds.
- I/We have not been convicted of any crime involving theft, fraud, or embezzlement of federal, state, or local grant funds within the last three years. We will notify the BSCC should such debarment or conviction occur during the term of the Grant contract.
- I/We will hold subgrantees and subcontractors to these same requirements.

A grantee may make a request in writing to the Executive Director of the BSCC for an exception to the debarment policy. Any determination made by the Executive Director shall be made in writing.
