

Request for Information

Regional Youth Programs and Facilities Grant Program

Please respond to each question in this RFI as completely as possible. Responses will be used to develop recommendations for the release of a RYPFGP Request for Applications to the Board during the February 2021 meeting.

There are four sections to this Request for Information:

1. County and Reporter Information

Requests information to identify the individual completing the RFI and the county for which information is being provided.

2. County Plans for Youth Previously DJJ Eligible

Requests information related to the county's plans to meet their needs to house the county's youth who prior to July 1, 2020 would have been eligible for transfer to the Division of Juvenile Justice.

3. Regional Providers

Requests information from counties that are willing and able to provide housing and services to out-of-county youth who prior to July 1, 2020 would have been eligible for transfer to the Division of Juvenile Justice. Note: not everyone will see this section; it is dependent on responses to questions in Section 2.

4. Additional Information

Requests any additional information the county would like to share with the BSCC.

For questions regarding this survey, please send an email to SB823grant@bscc.ca.gov.

Request for Information

Section 1: County and Reporter Information

Please complete the questions below to identify the county for which information is being provided and the individual is providing the information for the county.

* 1. Please select your county.

* 2. Please enter the full name of the reporting person.

* 3. Please enter the title of the reporting person.

* 4. Please enter the email address of the reporting person.

Request for Information

Section 2: County Plans for Youth Previously DJJ Eligible

In this section, please provide information regarding the county's plan to house **the county's youth** who prior to July 1, 2020 would have been eligible for transfer to the Division of Juvenile Justice. Information provided in this section should focus solely on how the county will provide housing and services for these youth after June 30, 2021.

5. How many juvenile court youth from your county are currently at the Division of Juvenile Justice (DJJ)?

Please use numbers only.

6. How many commitments has the county made to DJJ over the last 3 years?

Please use numbers only.

*** 7. Does the county intend to recall any youth currently housed at DJJ to the county's local facility/facilities after June 30, 2021?**

Yes

No

Unsure at this time.

**BOARD OF
STATE AND
COMMUNITY
CORRECTIONS**

Request for Information

8. How many youth does the county intend to recall?

Request for Information

9. For youth now eligible for DJJ who can no longer be committed after June 30, 2021, indicate which of the following types of juvenile offenders will be housed and served in local county facilities and programs or will need to be referred to facilities and programs in another county.

	Remain In County	Referred to Another County
Serious juvenile offenders (WIC 707(b))	<input type="radio"/>	<input type="radio"/>
Sex offenders	<input type="radio"/>	<input type="radio"/>
Mentally ill offenders	<input type="radio"/>	<input type="radio"/>
Long-term commitments	<input type="radio"/>	<input type="radio"/>
Female offenders	<input type="radio"/>	<input type="radio"/>

Other. Please describe the population(s) and indicate whether they would remain in custody or if they would be referred to another county.

10. If any of the above juvenile offender types will be referred to another county, please indicate your current relationships with other counties to address these needs: (check all that apply)

- Refer to another county for which a contract already exists for housing/services
- Refer to another county for which we are currently negotiating a contract
- Looking for a county for which to contract with for housing/services
- Other (please specify)

11. If any of the above juvenile offender types will remain in the county, please describe the facility/facilities (juvenile hall, camp) where the individuals will be housed and the type of housing.

[Redacted area]

12. If any of the above juvenile offender types will remain in the county, please describe whether your county currently has programming in place, or if you need to create new programs.

[Redacted area]

*** 13. If any of the above juvenile offender types will remain in the county, is there adequate space (housing and space for programming/services) to serve these youth within the county's existing facility/facilities?**

Yes

No

Request for Information

14. Which of the following space requirements are needed to serve the juvenile offender types that will remain in the county? (select all that apply)

- Secure space for these levels of offending
- Separate space for juveniles in long term commitment programs
- Specialized program space (e.g., recreational, education, other)
- Treatment space (e.g., health, mental health)
- Space necessary to separate youth by age or other factors
- Other (please specify)

Request for Information

* 15. Are infrastructure modifications to the county's facility/facilities needed to meet the needs of this population? This may include construction, facility modification(s), transportation (including vehicles), furniture, and/or equipment needs.

Yes

No

Request for Information

16. Please describe the infrastructure modifications needed.

17. Of the infrastructure needs described above, what are the top three needs in terms of priority to house and/or serve the population that was formerly DJJ eligible that will remain at the local county facility/facilities?

1.
2.
3.

Request for Information

*** 18. Will the county accept youth now eligible for DJJ who can no longer be committed after June 30, 2021 from other counties for housing and/or services?**

- The county will not accept youth from other counties
- The county may accept youth from other counties but has yet to determine its capacity to do so.
- The county has existing agreements to accept youth from other counties.
- The county is in discussions with other counties to accept their youth.
- The county is willing to accept youth from other counties but not in discussions with any counties at this time.
- Other (please specify)

Request for Information

Section 3: Regional Providers

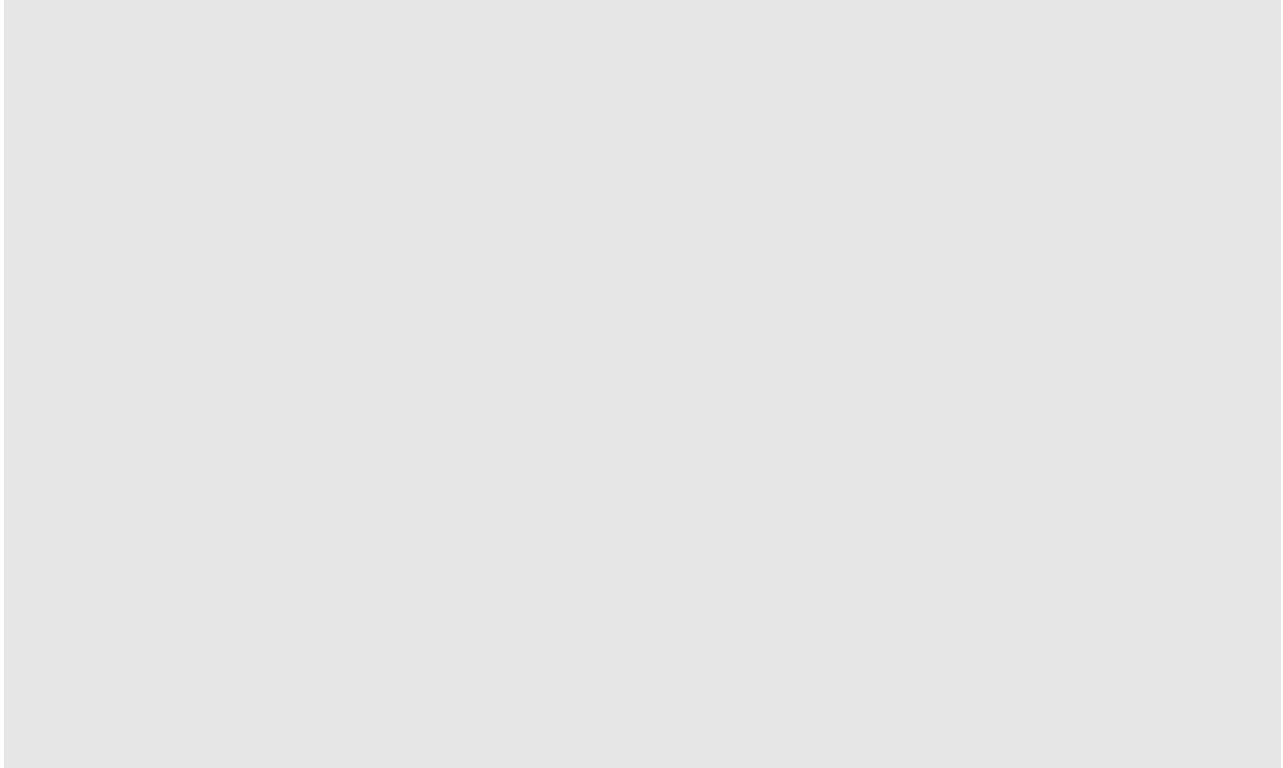

In this section, please provide information regarding the county's plan or interest in **housing youth from other counties** who prior to July 1, 2021 would have been eligible for transfer to the Division of Juvenile Justice. Information provided in this section should focus solely on how the county will provide housing and services for these **out-of-county youth** after June 30, 2021.

19. Please provide your best estimate of the number of the formerly DJJ eligible youth that can be accepted and housed at any one time from other counties. Please use numbers only.

20. At this time, from where does the county anticipate accepting these youth?

- Statewide
- Adjacent Counties
- Other (please specify)

21. If known, please describe your plans for accepting these youth from other counties. This description may include the juvenile offender types (e.g., serious juvenile offenders (WIC 707(b)), sex offenders, mentally ill offenders, long-term commitments, females) that may be taken on a referral basis, the referring county/counties, and which local facility/facilities will be used (juvenile halls, camps).

Request for Information

Instructions for Next Questions

The next series of questions will ask about adequate facility space, programming, and infrastructure modifications needed in order to accept the formerly DJJ eligible youth **from other counties**. Responses to these questions should focus on any ***needs that are in addition to those described for locally retained youth in Section 2, County Plans***, and are directly tied to accepting youth from other counties.

* 22. Are there additional space requirements needed (housing and space for services) beyond what was already reported for locally retained youth in order to serve these out-of-county youth?

Yes

No

Request for Information

23. Which of the following space requirements are needed to serve the juvenile offender types that will be referred from other counties?

- Secure space for these levels of offending
- Separate space for juveniles in long term commitment programs
- Specialized program space (e.g., recreational, education, other)
- Treatment space (e.g., health, mental health)
- Space necessary to separate youth by age or other factors
- Other (please specify)

Request for Information

* 24. Are there infrastructure modifications needed in addition to those reported previously for locally retained youth to serve these out-of-county youth? This may include construction, facility modification(s), transportation (including vehicles), furniture, and/or equipment needs.

Yes

No

Request for Information

25. Please describe the infrastructure modifications needed.

26. Of the infrastructure needs described above, what are the top three needs in terms of priority to house and/or serve the population that was formerly DJJ eligible that will be accepted from other counties?

1.

2.

3.

Request for Information

Section 4: Additional Information

27. Would the county be interested in applying for the RYPFGP funds allocated by SB 823?

- Yes
- No
- Unsure

28. If there is any additional information the county would like to share with the BSCC to inform the Board's decision making for the one-time RYPFGP funds for the purposes of providing resources for infrastructure related needs and improvements? If so, please use the space provided.
