

Juvenile Justice Crime Prevention Act - Youthful Offender Block Grant
 2019 Expenditure and Data Report
 Due Date: October 1, 2019

On or before October 1, 2019, each county is required to submit to the Board of State & Community Corrections (BSCC) a report on its Juvenile Justice Crime Prevention Act (JJCPA) and Youthful Offender Block Grant (YOBG) programs during the preceding year. For JJCPA this requirement can be found at Government Code (GC) Section 30061(b)(4)(C) and for YOBG it can be found at Welfare & Institutions Code Section (WIC) 1961(c). These code sections both call for a consolidated report format that includes a description of the programs and other activities supported by JJCPA and/or YOBG funds, an accounting of all JJCPA and YOBG expenditures during the prior fiscal year, and countywide juvenile justice trend data.

Prior to submitting this report save the file using the following naming convention: "**(County Name) 2019 JJCPA-YOBG Report.**" For example, Yuba County would name its file "Yuba 2019 JJCPA-YOBG Report".

Once the report is complete, attach the file to an email and send it to: **JJCPA-YOBG@bscc.ca.gov**. All reports will be posted to the BSCC website. We encourage you to review your report for accuracy before sending it to the BSCC. Please do **NOT** change the report form to a PDF document.

As reported in the Department of Justice Report, there were 177 juveniles arrested in Yuba County in 2018. However, according to the Yuba County Probation Department records, there were 325 referrals to the probation department for juveniles who were cited or arrested for criminal offenses in 2018.

Government Code Section 30061(b)(4)(C)(iv) & WIC Section 1961(c)(3)

Provide a summary description or analysis, based on available information, of how the programs, placements, services, strategies or system enhancements funded by JJCPA-YOBG have, or may have, contributed to, or influenced, the juvenile justice data trends identified in this report.

Since the commencement of YOBG and JJCPA funding, Yuba County Probation has seen a reduction in juvenile arrests, petitions being filed and youth under some form of probation supervision. Probation Department records indicate that in 2018, there were 325 juveniles referred after being cited or arrested for a criminal offense. In 2017, 355 juveniles were referred to the probation department. In 2018, there were 67 youth placed on some form of probation supervision (Wardship, Probation without Wardship, Deferred Entry of Judgement and Informal Probation). Although this number has slightly increased since 2017, it has drastically decreased when compared to 2008, with 180 youth having been placed on some form of probation supervision. In reviewing the types of probation supervision, there was a significant discrepancy in youth placed on Informal Probation pursuant to Section 654 and 654.2 of the Welfare and Institutions Code. In 2008, there were 74 youth granted probation pursuant to Section 654 or 654.2 of the Welfare and Institutions Code and in 2018, there were only 4 youth. In 2008/2009, the Yuba County Probation Department implemented a validated Risk and Needs Assessment Tool to be utilized on all youth referred to the probation department. In reviewing the statistical data, it is clear that by utilizing the assessment tool, the probation department was able to properly identify youth who required probation/court intervention and what that intervention should include; therefore, reducing the number of youth being unnecessarily placed on probation. Additionally, Yuba County Probation has sent only four youth to the Division of Juvenile Justice since 2005. Youth who commit an offense which does not fall under Section 707(b) of the Welfare and Institutions Code and are no longer eligible for DJJ or would benefit from local services and supervision are offered services in two primary areas; a 365 day commitment to the Maxine Singer Youth Guidance Center (MSYGC) or foster care/congregate care. By assessing youth's needs with the assessment tool, we have deterred unnecessary commitments to DJJ.

Although Yuba County Probation does not have a formal diversion program, the majority of referrals are handled within the department with a Counsel and Release and typically are not closed without addressing the needs of the youth and their family. This is accomplished with a referral to an internal program/counseling, another county agency, or a community based program. Occasionally these youth are monitored for a period of time before closing the case.

All youth who are pending Court, participate with their parents/legal guardian in a comprehensive Family Intake Assessment, which is comprised of various tools. Additionally, the probation department has intensive case management/supervision of high risk needs youth and utilizes an Incentive and Sanctions Matrix for youth under Court ordered probation supervision. The probation department has been providing a number of programs; including, Cognitive Behavioral Therapy for Adolescents with Co-Occurring Mental Health and Substance Use Disorders, Individual and Family Therapy, Crystal Clear Communication, Anger Management, Tobacco/Drug and Alcohol Education, Cyber Awareness, Theft Awareness and Community Service. All Yuba County programming is available to the community, not just probation involved youth and families, free of charge, due to YOBG and JJCPA funding. Referrals for programming are received from local schools, law enforcement, other county agencies and self-referrals.

The probation department has a Truant Officer and Probation and School Success Officers (P.A.S.S. Program) on school campuses, who assist with prevention and intervention services to all youth.

Due in part to all of the above, Yuba County Probation has seen great success in reducing the number of youth involved in the juvenile justice system, and an even greater reduction in the number of youth brought before the Juvenile Court, and subsequently placed on some type of probation supervision.

Stepping Stones - Camp is a multi-tiered program that incorporates a graduated scale of supervision and family based services to Wards of the Court and their families. The focus is for youth committed to the Maxine Singer Youth Guidance Center (MSYGC). The MSYGC (Camp) provides youth programming and structure to address maladaptive behavior while simultaneously working on transitioning the youth from a custodial setting back into their respective homes and communities. Prior to being committed to the MSYGC, the youth and their family participate in a Family Intake Assessment that is administered by a full time Yuba County Probation Department Therapist. During the assessment, several tools are utilized described under Day and Evening Treatment/Day Reporting Center). The same Therapist also provides families the opportunity to access immediate individual and/or family therapy using a Cognitive Behavioral Therapy approach at no cost to the family.

While youth are progressing in the MSYGC, a full time Deputy Probation Officer, Yuba County Probation Department Intervention Counselor and Certified Substance Abuse Counselor collaboratively begin to identify the needs of the youth and family, as the youth is preparing to transition out of the MSYGC. The youth, having been out of the home for a significant amount of time, has the support needed to reintegrate into the community and the families home. Services are provided to the family, which could involve some form of counseling, referral to Community Based Organizations or purchasing household items to reintegrate the youth into the home. The Deputy Probation Officer has regular contact with the youth while in the MSYGC. Intensive probation supervision and support of the youth and family by the same deputy probation officer continue from the date of commitment to and including, six months after release from the MSYGC. Services for these youth are family-centered and include detention based, as well as intensive community based treatment supervision, drug treatment, education, recreation and life skill building.

The full time Substance Abuse Counselor facilitates drug and alcohol counseling individual and group sessions. Additionally, the counselor and deputy probation officer offer a Parent Support Group at the MSYGC. This group assists parents of youth who are committed to the MSYGC and are addicted to drug and/or alcohol.

YOBG and JJCPA funding paid for a full time Deputy Probation Officer, and a percentage of a full time Certified Substance Abuse Counselor, Intervention Counselor, Therapist, Supervising Deputy Probation Officer, Program Manager and various services and supplies necessary for the operation of the programs.

Any Yuba County minor who is "At Risk", on formal or informal probation and is in need of prevention or intervention can receive services through the probation department. Until January 2019, two Intervention Counselors facilitated programs at the Day Reporting Program, probation department or on a school site as necessary. Programs included Crystal Clear Communication, Anger Management, Tobacco/Drug and Alcohol Cessation, Cyber Awareness, Theft Awareness, Community Service and Individual Counseling. Occasionally, a youth who had been referred to the probation department may be monitored longer by the Intervention Counselor in order to offer support and services to the youth and their families, but will not be placed on probation. As of January 2019, there is only one Intervention Counselor facilitating programs. A full time Yuba County Probation Department Certified Substance Abuse Counselor facilitates intensive individual drug and alcohol counseling utilizing a Cognitive Behavioral Therapy approach and a part time Therapist provides individual therapy to youth and families. The Therapist provides probation families the opportunity to access immediate individual or family therapy using a Cognitive Behavioral Therapy approach at no cost to the family.

For youth who have been charged with a crime and after their Detention Hearing, the family is referred to the Probation Department for a Family Intake Assessment administered by a Therapist. During the assessment, several tools are utilized to determine a preliminary understanding of the needs of the youth and family. Those tools include Child Behavior Checklist (CBCL), Youth Self Report (YSR), Adolescent Substance Abuse Subtle Screening Inventory (SASSI) and Parent Adolescent Relationship Questionnaire (PARQ). The youth and family are subsequently referred to the appropriate programs/community based programs on the outcome of each assessment tool. Many of the programs offered by the probation department occurred at the Day Reporting Program. In July 2016, the probation department partnered with Yuba-Sutter Friday Night Live (FNL) and utilized an area at the FNL building, where programs were offered to youth. In January 2019, the probation department discontinued utilizing the FNL building and are currently looking into another location.

JJCPA and YOBG funding paid for one full time Intervention Counselor and a percentage of another full time Intervention Counselor (until January 2019); percentage of a Certified Substance Abuse Counselor, Therapist, and a Program Manager, who manages the grants. JJCPA and YOBG funding also paid for various services and supplies including, but not limited to programming materials, bus passes, gift cards, snacks, supplies for extra curricular activities and urinalysis drug testing. Additionally, incentives were purchased for youth, which are based on the Juvenile Response Matrix. The matrix includes graduated sanctions for technical probation violations and incentives to reinforce positive behavior.

The Yuba County Probation Department collaborates with Marysville Joint Unified School District (MJUSD) and Yuba County Office of Education (YCOE) to sustain the Probation and School Success (PASS) program. The primary goal of the program has been to counteract factors interfering with student learning and performance with a comprehensive and multifaceted approach, based on interventions facilitated by deputy probation officers. This collaborative approach includes the on campus deputy probation officer facilitating student and family access to services and special assistance as needed; providing intervention to families and students in crisis situations; providing student and family support as students transition through grade level changes; and increasing the relationship and/or partnership between home and school. The PASS program is a preventative program that focuses on reducing violence at home and at the school site; identifying and providing intervention services in relation to child abuse; reducing the number of referrals to the criminal justice system using proactive measures; and providing a coordination of resources and behavioral strategies that foster resiliency. In 2018, there were four Deputy Probation Officers assigned to four separate schools (two High Schools, one Community School and one Intermediate School).

The Yuba County Probation Department has dedicated a full time Truant Officer to MJUSD and YCOE. The Truant Officer provides essential services to the school districts, probation department, students, and their families and plays a vital role as a member of the Student Attendance Review Board (SARB). Some of the duties of the Truant Officer include the following: home visits and family intervention services; referrals to social services and other service related agencies in Yuba and Sutter Counties; liaison between schools and law enforcement; assisting PASS Officers with truancy, recovery and attendance related issues; and transportation of youth to school sites. As a member of SARB, the Truant Officer serves Juvenile Citations, Subpoenas and Infraction Complaints (violation of SARB Contract); and recovers students who are not enrolled in any school or education programs within Yuba County.

JJCPA and YOYG funding pay for 54% of the salary for a full time Deputy Probation Officer, 20% of three full time Deputy Probation Officers and 100% of a full time Juvenile Correctional Officer Truant Officer.

All minors who are referred to the probation department, regardless of their offenses, have a formal Risk and Needs Assessment completed to assist in determining the appropriate disposition of the case. The Positive Achievement Change Tool (PACT) by Noble Software Group is an Evidence Based Program utilized to assess the needs and risks of a minors. By completing the evidence based risk and needs assessment on all minors referred to the probation department, the deputy probation officer will be able to determine the appropriate steps to take in order to address the needs of the minor, with the goal of reducing recidivism. The PACT determines a minor's level of risk to reoffend; identifies the risk and protective factors linked to criminal behavior so that the rehabilitative effort can be tailored to address the minor's unique criminogenic needs; pre-populates an automated and customizable case plan focused on reducing risk factors and increasing protective factors; and allows probation managers to generate reports to see changes in risk and protective factors over time. Every minor that enters the juvenile justice system is assessed with the PACT, whether it be the prescreen or full screen. The PACT revitalizes the role and responsibilities of the deputy probation officer from that of one who monitors sanctions, to that of one who is provided a working tool to assist while modeling pro-social behavior and one who will continue to work with the minor and the minor's family to reduce the minor's risk to re-offend. An updated PACT and case plan is completed no less than every six months for a minor that is under any type of probation supervision.

YOYG funding pays for the contracted juvenile assessment licensing fee through Noble Software Group.
